# 1. Introduction

This report provides an overview of City Council Refuse and Environment and Streets and Open Spaces service activity relating to the geographical area served by the South Area Committee. The report identifies the reactive and proactive service actions undertaken in the previous year, including the requested priority targets and reports back on the recommended issues and associated actions to be targeted in the following period. It also includes key officer contacts for the reporting of waste and refuse and public realm issues.

## 2. Target setting and recommendations

All those at Committee have an opportunity to suggest issues that they would like to see tackled in the neighbourhood area during the upcoming period to help shape the activity to be undertaken within the public realm. Following suggestions that are received the relevant teams will consider the suggestions, and will prioritise work, responding reactively where appropriate and programming some work for the future. All suggested targets will be reported back on in the following period to update members and the public on the status of the issue. Recommendations will also be presented to the committee for consideration and to aid discussion.

### Recommendations

The following are suggestions for members on what action could be considered for priority within the South Area for the period of June to August 2016.

#### Continuing priorities<sup>1</sup>

Number	Priority details
1	Early morning, daytime and weekend patrols for dog fouling on Bliss Way/Tenby Close, Nightingale Avenue Recreation Ground, and Cherry Hinton Hall.
2	Enforcement targeted approach to areas where Addenbrookes site joins residential areas such as Hills Road and Red Cross Lane and to work with Addenbrookes to work towards the bus station area being cleaned up.
3	Enforcement to work with the County Council, against utilities and companies that damage the verge on Mowbray and Fendon Road.
4	Enforcement action against nuisance vehicles being repaired at Arran Close.
5	Enforcement joint working and patrols to deal with littering from students of Long Road Sixth Form in the areas of Long Road and Sedley Taylor Road.
6	Enforcement patrols to deal with litter and fly tipping in and around Teversham Drift.

Members are recommended to endorse the above recommendations or to make proposed amendments, and in doing so to consider the following community intelligence questions to help shape the public realm work.

### Community intelligence questions

1. What activities should be considered as part of ward blitzes?
2. What geographical locations would benefit from targeted work? (including public realm enforcement activity and clean-up work by the community payback)
3. What locations for new and replacement general waste, recycling and dog bins (in line with resources available) should be considered?
4. Where and when the dog warden service should patrol in order to target dog fouling?

<sup>1</sup> Amendments to continuing priorities are shown in italics

### **3. Routine activity**

Streets and Open Spaces teams work closely with residents, community and campaign groups to keep Cambridge clean, green and safe. Street cleansing works to clear shop fronts and maintain all residential streets to a good standard of cleaning by sweeping them regularly. The team empties litterbins and dog bins across the city parks and open spaces, as well as removing graffiti and clearing needles and fly tipping.

The grounds maintenance team maintains all council housing and highway grass and shrub beds across the city, and carries out the maintenance of the city's cemeteries and crematoriums as well as the maintenance of all parks across the city. The City Rangers team provide a street-level, face-to-face contact point for people to raise any cleanliness and public safety issues that they might have concerning their neighbourhood.

The dog warden patrols within Cambridge to increase people's awareness of the requirement to clear up after their pets, as well as collecting stray dogs within the city and works alongside animal charities to deliver educational roadshows. Investigation of instances of environmental crime in public places across the city is carried out by the public realm enforcement team. As well as undertaking enforcement action where necessary, the team provide advice for residents and businesses on issues including fly tipping, litter, waste, illegal advertising, abandoned shopping trolleys, verge parking and abandoned, untaxed and nuisance vehicles.

### **4. 'Ward Blitz' activity**

The City Council has embarked on a campaign of monthly 'ward blitzes' across the City, involving the Council's City Rangers, Rapid Response, Public Realm Enforcement and Street Cleansing teams. These teams will undertake coordinated public realm maintenance, enforcement and educational action, targeting one ward every month in rotation. Working within existing budgets, this action is additional to the routine, day-to-day, work undertaken by these services.

Ward blitz activity will have included a combination of the following actions:

- Deep cleansing of channels
- Cleansing of litter and dog bins
- Cleansing of signage
- Cleansing of recycling centres
- Increased dog warden presence
- Increased public realm enforcement presence
- Joint working with Cambridgeshire Fire and Rescue, and Cambridgeshire Police
- Free dog microchipping event
- Proactive inspections by pest control in known hotspots

The results of the ward blitzes are reported as follows:

Cherry Hinton – Environmental Report January to March 2015

Queen Edith's – Environmental Report July to September 2015

Trumpington – Environmental Report October to December 2015

## 5. Specific issues and actions: Previous period

The following specific issues were identified for targeted action in the previous period. The following tables summarise the action undertaken and current situation, whether ongoing or completed, for each issue.

<b>Priority 1</b>	<b>Early morning patrols for dog fouling on Bliss Way/Tenby Close, Nightingale Avenue Recreation Ground, Godwin Close, Godwin Way, Gunhild Way and Cherry Hinton Hall.</b>
Action Taken	Dog Warden patrols have been conducted by the dog wardens to address the issues of dog fouling at the above locations, patrol times totalled 22.5 hours. Educational advice, verbal warnings and dog bags have been provided to a number of dog walkers seen at these locations during early mornings, daytimes and at weekends. Ongoing work continues in the areas to deal with dog fouling.
Current Situation:	Ongoing
<b>Priority 2</b>	<b>Enforcement targeted approach to areas where Addenbrookes site joins residential areas such as Hills Road and Red Cross Lane and to work with Addenbrookes to work towards the bus station area being cleaned up.</b>
Action Taken	Over 14 hours and 19 patrols have been conducted to address the issues of littering, between March and May. Education advice has been given to people smoking in the area and pocket ashtrays handed out to smokers at the location. Nine Fixed Penalties have been issued to offenders littering at the said locations. Ongoing work continues in this area.
Current Situation:	Ongoing
<b>Priority 3</b>	<b>Enforcement to work with the County Council, against utilities and companies that damage the verge on Mowbray and Fendon Road.</b>
Action Taken	Patrols continue to be conducted by officers to address the issues of verge parking at Mowbray and Fendon Road. In this period vehicles witnessed parking on the grass verge and warning letters have been sent to registered keepers where possible. Officers continue to patrol during the week and at weekends. Words of advice were given to builders who were working at the location of Mowbray Road with regards to possible damage to the verge. Work is underway to improve the number of verge parking signs on the highway and to develop an improved way of working with local residents to report vehicles parked on the verges
Current Situation:	Ongoing

<b>Priority 4</b>	<b>Enforcement action against nuisance vehicles being repaired at Arran Close.</b>
Action Taken	Patrols have been conducted at Arran Close, with 11 patrols having been undertaken lasting a total of 6.5 hours. Vehicle checks made on suspect vehicles at the location with no issues to report as of yet, due to previous enforcement work undertaken where suspect vehicles have been removed from the location. Officers continue to monitor the area during the week and at weekends.
Current Situation:	Ongoing
<b>Priority 5</b>	<b>Enforcement joint working and patrols to deal with littering from students of Long Road Sixth Form in the areas of Long Road and Sedley Taylor Road.</b>
Action Taken	Patrols continue to be undertaken at the location, students have been spoken to about littering. Work for this area continues during the academic year and further work is anticipated during the next period. Links have now been made with the student liaison officers at Long Road Sixth Form, we are planning to undertake joint patrols with theta help educate and tackle issues regarding cigarette littering from students.
Current Situation:	Ongoing
<b>Priority 6</b>	<b>Enforcement patrols to deal with litter and fly tipping in and around Teversham Drift.</b>
Action Taken	Patrols are still being undertaken at the location, to try and tackle the issues of fly tipping, abandoned vehicles, untaxed vehicles and dog fouling patrols. Suspected abandoned vehicles have been dealt with accordingly. At present fly tipping seems to be reduced, the reports of these incidents have been reduced at this location.
Current Situation:	Ongoing

- The one offensive graffiti in the south during March to May 2016 was in Cherry Hinton in April where highly offensive language was written on the skate ramp on Cherry Hinton Recreation Ground on the High Street. This graffiti made reference to an individual and was of a threatening nature and sexual. The police were informed.
- Six of the nine instances of detrimental graffiti in Queen Edith's were general tagging in the Hills Road area and happened over a six week period.
- Nine of the 21 instances of detrimental graffiti in in Trumpington were on Gonville Place and were general tagging, the majority occurred during May. Repeat incidents were also located in Trumpington Road.
- One needle was removed from shrubbery at Highdene Road in Cherry Hinton, this was reported by a member of the public to the Customer Service Centre, and one needle was identified and removed by an operative near the pavilion on Nightingale Avenue Recreation Ground in Queen Edith's.
- The number of trolleys impounded was 2.

## Waste and Recycling Data [City wide]

This section includes information about the Waste Policy team's area of responsibility. The team has an Operational Plan that covers the work for the year. This work is generally not area based but it is useful to residents and provides statistics to demonstrate activity and continuous improvement in areas of sustainable waste management.

### Summary of Waste and Recycling Data

The total recycling rate is 43.3% which has changed slightly compared to last year, 43.8%. A rise in rubbish to landfill has been seen, maybe partly due to the new developments in the city and changes to population. It has been a very busy and productive year for the waste and recycling team who have aimed to keep up the momentum of increasing recycling and community engagement alongside the re-location to Waterbeach and merging of teams with South Cambridgeshire District Council. We look forward to reaping the benefit of these changes in 2016-17.

#### Jan- March events attended

- Hazelwood and Molewood Community Day
- Volunteer for Cambridge, Guildhall
- Accommodation Fair- Anglia Ruskin
- Annual Electrical collection event with University and ERP- Sidgwick Site
- Food Fair-Central Library

## 7. Proactive and community work: Previous period

During the previous period the following proactive and community work has been undertaken. This sections also details ongoing and upcoming work.

<b>Task</b>	<b>Foster Road, Trumpington</b>

### Dog bin provision

A number of dog bins are available for each ward, as follows:

Ward	Bins used	Bins available for installation
Cherry Hinton	4	0
Queen Edith's	0	4
Trumpington	1	2

We would like to receive suggestions for where bins should be installed on the parks and open spaces and will investigate the suitability of all suggested locations. We will also be undertaking a review of where bins are currently installed to see how they are used.

Installed bin sites:

Ward	Location	Installation Date
Cherry Hinton	Kathleen Elliott Way (near Snakey path footpath)	May 2015
Cherry Hinton	Arran Close (on green at top of road)	July 2015
Cherry Hinton	Teversham Drift	October 2015
Cherry Hinton	Recreation Ground	March 2016
Trumpington	Brooklands Avenue (by Hobsons Conduit)	June 2015

#### Pocket ashtray distribution

Locations of where pocket ashtrays should be distributed from are welcomed by the Public Realm Enforcement team.

#### Dog fouling signs

Small quantities of 'no dog fouling' signs are available for each ward, as follows:

Ward	Signs used	Signs available for installation
Cherry Hinton	0	13
Queen Edith's	0	13
Trumpington	0	13
