VARIATION

Do you want the proposed variation to have effect as soon as possible?

Yes No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

Following the successful trouble free running of the Micro Brewery off sales since late 2014 and recent running of multiple on sales events using TENS, Calverley's Brewery would like to vary the current premises license to include On Sales on Thursday, Friday and Saturday each week.

Because the Standard Days and Timings page does not differentiate between on and off sales, for clarity the days/times that we are requesting for on sales and off premises sales are:

Thursday 17:00 - 22:30

Friday 17:00 - 22:30

Saturday 11:00 - 22:30

Times outside the hours stated above that exist already for off sales are to be left as off sales only.

The areas inside the brewery we intend to use for the consumption of on sales are used for storage and production purposes during the rest of the week when it is not open to the public.

We want to change the license to allow the sale of any beer produced on site, in addition we want to be allowed to serve 2 guest beers produced by other breweries (This will allow us for example to stock gluten free beer that we currently don't produce ourselves). We also want to change the license to allow 2 wine options available as on sales only, as an example this allows us to accommodate people with malt allergies.

When the weather permits some seating will be available outside the brewery (within the private yard that 23A Hooper Street is located) for consuming beer purchased on site.
