To the Chair of the Licensing Committee

CCLT Ltd would like to apply to the next Licensing Committee meeting 18/7/2016 for a 1.6 % Fare increase for Cambridge City Hackneys.

This is what was given to London Hackneys this year; this has been used as the agreed method for a fare increase in Cambridge.

We have not applied for an increase for over two years but the costs keep going up for drivers and we feel this is a reasonable request.
