

## **Notes: Cambridgeshire and Peterborough Online Results**

The following tables are the results for the on-line devolution consultation survey hosted on two separate websites by Cambridgeshire County Council (on behalf of all Cambridgeshire Districts) and Peterborough City Council. Both sites held the same questions and the tables have been generated by combining the two sets of answers.

There was considerable publicity produced by the sponsoring authorities and their partners to draw people's attention to the surveys. This included use of social media, print media, distribution by e-mail and some active engagement.

The results represent a 'self-selecting' sample, people who were keen to give their views once they had heard about the consultation. Inevitably this means the numbers aren't representative of the population as a whole. In particular only 35% were female and only 10% under the age of 34. Response rates also varied with 1.3 people per 1,000 responding in Fenland compared to 2.6 per 1,000 for Huntingdonshire.

In addition to the quantitative results shown here there were a considerable number of free text comments. In brief the main theme for those supporting the proposals was that they offered the chance to 'take control' and improve local infrastructure and boost the local economy. Those opposing the proposals were concerned about the 'extra layer of bureaucracy' that the proposals could potentially create as well as expressing dissatisfaction with the 'mayor' model of governance. Comments will be looked at in more detail over the coming weeks.

4.2 Some decisions, such as how much money the Combined Authority wishes to borrow, asking the Government for new powers and how much the authority would cost to run would require a majority of members to agree. That majority must include the Directly Elected Mayor.

*Table Five: Plans will be put in place for how the new Combined Authority and Directly Elected Mayor would be held to account. The details of how this will work will be produced if the deal goes forward but could include ideas such as scrutiny by members from various political parties. How important, if at all, is each of these in holding the Combined Authority and Directly Elected Mayor to account?*

*5.1 An independent scrutiny committee that has the power to ask the Mayor and other members of the Combined Authority to attend a meeting to answer questions. This would be made up of councillors from participating councils who are not members of the Combined Authority itself.*

Table Eight: Government has said it will provide Cambridgeshire and Peterborough, as part of a Combined Authority with a Directly Elected Mayor, and the partner areas included in the deal a new **£100million housing fund** in order to build more homes across the county.

To what extent, if it all, do you support or oppose Cambridgeshire and Peterborough, as part of a Combined Authority with a Directly Elected Mayor, deciding on how this housing fund is spent?
