14/26/NAC - Tree roots opposite Co-op Green End Road causing trip hazard	Councillor Manning		<p>Update: Additional tree has been added to the list for remedial work but the item is still on-going. Further update: given the cost and the fact that there is now an EIP in that area, and a project I have got added to the Northern Area Corridor Transport Plan pot, it will be done as part of one of these. Officers have confirmed this won't affect either project (in terms of adding extra cost or stopping elements from being done).</p> <p>Update 5 Dec 14 Cllr Manning : Initial site visit completed and this matter will be included in a wider feasibility study of the area.</p> <p>Update 15 Dec 2014 Cllr Manning: Work has been delayed but the issue is still ongoing.</p> <p>Update 20 Jan 2015 Cllr Manning: Feasibility study still being written.</p> <p>Update 9th April Cllr Manning A residents meeting had been held and a decision on future action is expected to be considered post-election.</p>

			<p>Update 14th August Cllr Manning Waiting for designs to be completed by SKANSA.</p> <p>Update 20th January Cllr Manning This matter is being address with other issues in the area. The action to be retained for further update</p> <p>Update 31 March Cllr Manning This matter was progressing along with the rest of the City Deal consultations.</p> <p>Update 9 June Cllr Manning City Deal meeting earlier today discussed this issue</p>
<p>14/65/NAC</p> <p>Parking restriction in De Freville area and impact around Milton Rd Library</p>	<p>Cllr Scutt</p>		<p><u>18 December 2014, Cllr Scutt</u> Regarding Parking Restrictions steps have been taken to place double yellow on the corners of all the inter sections Milton Road. County Council are appointing an Officer to look at parking in Cambridge and the problems that residents experience to determine safe parking.</p> <p>Would investigate the possibility of four hour parking restrictions in this area as requested by Mr Sergeant at the December meeting.</p> <p><u>3Feb 2015 Update Cllr Scutt</u> From County Officers: With regards to Milton Road Library parking, whilst it</p>

would not be permissible to restrict a parking space solely for library use, the County can restrict the duration of stay to say one hour to prevent long term parking and introduce some turn-over of vehicles utilising the parking bay.

This would involve an amendment to the traffic regulation order (TRO) and the installation of additional signage, so there would be a cost associated with this work which would need to be borne by a third party - that is residents or need to secure funding from alternative sources.

Update 9th April Councillor Scutt

Has discussed this with County Council Officers and options under are consideration including Pay and Display bays,

Update 10th September Councillor Scutt

County transport officers advised that it would not be possible to have dedicated parking bays for the library. Restricting parking to two hours in the area would require a Traffic Regulation Order and would include a wider area.

Update 19th November Councillor Scutt

Double yellow line work due to for early next year.

Update 31st March Councillor Scutt

Cllr Scutt stated that this issue was still on going, the Cambridge Joint Area committee was working on the issue of parking generally and she wanted a solution for the whole of Cambridge.

			<p>Double yellow lines are in the queue, two new officers have been appointed and expect work will be done in due course.</p>
<p>15/4/NAC Q2 To investigate with property services: area around Tesco's continues to be untidy. There is a large, uncovered, wire cage style litter bin, and rubbish gets blown about.</p>	<p>Councillor Price</p>		<p>Property Services are in the process of renewing the lease to Tesco and as part of this they will be leased an additional area at the rear of the shops where their cages are and will be erecting a simple store with flat roof (subject to landlord's approval of the design and planning approval). Their cages will be installed in the area and this should be tidier and eliminate blown rubbish. The rear access road is just for Tesco and the takeaway for deliveries but not, longer term parking. The tenants are responsible to ensure the access is not blocked and control rubbish etc. We will pick up these issues with them.</p> <p>16 June 2015</p> <p>Retrospective planning application on-going.</p> <p>Update 10th September Councillor Price Councillor Price stated that work to improve was underway. He would push to have the double yellow lines in the area reinstated.</p> <p>Update 31 March Councillor Price The area had been re-surfaced recently and was waiting to hear when lines would be re-instated. There had been no complaints about rubbish and wanted to retain until the lines had been re-instated.</p>

<p>16/30/NAC Q1</p>	<p>Councillor Onasanya</p>		<p>Investigate street lights in Callander Close.</p> <p>Post meeting update: The County Strategic Projects Officer has advised their street lighting faults database has been checked and they have not had any faults reported for this road since February 2015. Balfour Beatty have also advised they do not have any outstanding customer issues at present.</p>

			<p>Update 30th Aug 2016 Liaising with Paul Payne at Balfour Beatty to see what (if anything) can be done to eradicate the dark areas highlighted in the plan sent by the constituent.</p> <p>Update 20 September 2016 Unfortunately we are unable to change the type of lantern which has been installed due to the specification requested by Cambridge county council. We understand that there will be areas with darker spots where lights have been removed due to the 10% reduction on residential roads.</p> <p>As there is no liable obligation for the council to provide any Streetlighting on residential roads this is unfortunately where the lights are being removed from. We will therefore not be making any changes to the lighting on Callander Close.</p>
