# 1. Introduction

This report provides an overview of City Council Refuse and Environment and Streets and Open Spaces service activity relating to the geographical area served by the East Area Committee. The report identifies the reactive and proactive service actions undertaken in the previous, including the requested priority targets and reports back on the recommended issues and associated actions to be targeted in the following period. It also includes key officer contacts for the reporting of waste and refuse and public realm issues.

## 2. Target setting and recommendations

All those at Committee have an opportunity to suggest issues that they would like to see tackled in the neighbourhood area during the upcoming period to help shape the activity to be undertaken within the public realm. Following suggestions that are received the relevant teams will consider the suggestions, and will prioritise work, responding reactively where appropriate and programming some work for the future. All suggested targets will be reported back on in the following period to update members and the public on the status of the issue. Recommendations will also be presented to the committee for consideration and to aid discussion.

### Recommendations

The following are suggestions for members on what action could be considered for priority within the East Area for the period of December 2016 to February 2017.

#### Continuing priorities\*

Number	Priority details
1	Enforcement patrols to tackle fly tipping at Riverside, Ditton Fields and St Matthews Street area
2	Early morning , daytime and weekend patrols for dog fouling at the following locations: <ul style="list-style-type: none"><li>• Ravensworth Gardens play areas</li><li>• Snaky Path area</li><li>• Mill Road Cemetery</li></ul>
3	Enforcement patrols to tackle environmental crime at Thorpe Way estate

Number	Priority details
1	Enforcement patrols to tackle fly tipping, litter, side waste and trade waste along in the Petersfield area of Mill Road

Members are recommended to endorse the above recommendations or to make proposed amendments, and in doing so to consider the community intelligence questions below to help shape the public realm work.

### Community intelligence questions

---

\* Amendments to continuing priorities are shown in italics

1. What geographical locations would benefit from targeted work? (including public realm enforcement activity and clean-up work by the community payback)
2. What locations for new and replacement general waste, recycling and dog bins (in line with resources available) should be considered?
3. Where and when the dog warden service should patrol in order to target dog fouling?

### **3. Routine activity**

Streets and Open Spaces teams work closely with residents, community and campaign groups to keep Cambridge clean, green and safe. Street cleansing works to clear shop fronts and maintain all residential streets to a good standard of cleaning by sweeping them regularly. The team empties litterbins and dog bins across the city parks and open spaces, as well as removing graffiti and clearing needles and fly tipping.

The grounds maintenance team maintains all council housing and highway grass and shrub beds across the city, and carries out the maintenance of the city's cemeteries and crematoriums as well as the maintenance of all parks across the city. The City Rangers team provide a street-level, face-to-face contact point for people to raise any cleanliness and public safety issues that they might have concerning their neighbourhood.

The dog warden patrols within Cambridge to increase people's awareness of the requirement to clear up after their pets, as well as collecting stray dogs within the city and works alongside animal charities to deliver educational roadshows. Investigation of instances of environmental crime in public places across the city is carried out by the public realm enforcement team. As well as undertaking enforcement action where necessary, the team provide advice for residents and businesses on issues including fly tipping, litter, waste, illegal advertising, abandoned shopping trolleys, verge parking and abandoned, untaxed and nuisance vehicles.

## 4. Specific issues and actions

The following specific issues were identified for targeted action in the previous period. The following tables summarise the action undertaken and current situation, whether ongoing or completed, for each issue.

<b>Priority 1</b>	<b>Enforcement patrols to tackle fly tipping at Riverside, Ditton Fields and St Matthews Street area</b>
Action Taken	Over the three month period the enforcement team spent a total of 38.5 hrs approximately on patrol in the Riverside area. This is not including the hours the team spent on patrols of the Riverside area in relation to moorings. Incidents on Riverside include five incidents of fly posting. Four abandoned shopping trolleys, one dumped moped in the River Cam and one incident of a large fly tipping.
Current Situation:	Ongoing
Action Taken	Over the reporting period the enforcement team spent a total of 15.5 hours on patrol in Ditton Fields. Ditton Fields also part of the ongoing fly tipping campaign as an area prone to incidents of fly tipping.
Current Situation:	Ongoing
Action Taken	The public realm enforcement team have conducted a total of 37 hours of patrols in the past three months. Incidents dealt with include one FPN for littering, six abandoned shopping trolleys, and one abandoned vehicle. Littering continues to be an issue along Norfolk Street during peak hours. Fly tipping continues to take place in the alley between Farran and Carlow blocks.
Current Situation:	Ongoing

<b>Priority 2</b>	<b>Early morning , daytime and weekend patrols for dog fouling at the following locations:</b> <ul style="list-style-type: none"> <li>• Ravensworth Gardens play areas</li> <li>• Snaky Path area</li> <li>• Mill Road Cemetery</li> </ul>
Action Taken	Dog warden patrols have been conducted by both the Dog Warden Service and Enforcement team to address the issues of dog fouling totalling over 9.5 hours. Educational advice and dog bags continue to be provided to a number of dog walkers at these locations. These areas continue to be problematic for dog fouling and several are recommended to continue for the upcoming period.
Current Situation:	Ongoing

<b>Priority 3</b>	<b>Illegal camping barbeque and green space patrols at Stourbridge Common.</b>
Action Taken	45.25 hours of patrol took place over the last three months. This is not including the hours of patrols taken place as the moorings inspections. Two incidents of illegal camping and an incident involving trade waste have been investigated in this period.
Current Situation:	Completed

<b>Priority 4</b>	<b>Enforcement patrols to tackle environmental crime at Thorpe Way estate</b>
Action Taken	A total of 18 hours has been spent on patrol in this area over the last period. The team dealt with and investigated five incidents of fly-tipping. An incident involving trade waste and two incidents where a high amount of litter had to be cleared by the streets and open spaces team. It is recommended that this continues as a priority due to the number of fly-tipping incidents.
Current Situation:	Ongoing
