Further update: given the cost and the fact that there is now an EIP in that area, and a project I have got added to the Northern Area Corridor Transport Plan pot, it will be done as part of one of these. Officers have confirmed this won't affect either project (in terms of adding extra cost or stopping elements from being done).</p> <p>Update 5 Dec 14 Cllr Manning : Initial site visit completed and this matter will be included in a wider feasibility study of the area.</p> <p>Update 15 Dec 2014 Cllr Manning: Work has been delayed but the issue is still ongoing.</p> <p>Update 20 Jan 2015 Cllr Manning: Feasibility study still being written.</p> <p>Update 9th April Cllr Manning A residents meeting had been held and a decision on future action is expected to be considered post-election.</p> <p>Update 14th August Cllr Manning Waiting for designs to be completed by SKANSA.</p> <p>Update 20th January Cllr Manning This matter is being address with other issues in the area. <p>14/65/NAC</p> <p>Parking restriction in De Freville area and impact around Milton Rd Library</p>	<p>Cllr Scutt</p>	<p><u>18 December 2014, Cllr Scutt</u> Regarding Parking Restrictions steps have been taken to place double yellow on the corners of all the inter sections Milton Road. County Council are appointing an Officer to look at parking in Cambridge and the problems that residents experience to determine safe parking.</p> <p>Would investigate the possibility of four hour parking restrictions in this area as requested by Mr Sergeant at the December meeting.</p> <p><u>3 Feb 2015 Update Cllr Scutt</u> From County Officers: With regards to Milton Road Library parking, whilst it would not be permissible to restrict a parking space solely for library use, the County can restrict the duration of stay to say one hour to prevent long term parking and introduce some turn-over of vehicles utilising the parking bay.</p>

This would involve an amendment to the traffic regulation order (TRO) and the installation of additional signage, so there would be a cost associated with this work which would need to be borne by a third party - that is residents or need to secure funding from alternative sources.

Update 9th April Councillor Scutt

Has discussed this with County Council Officers and options under are consideration including Pay and Display bays,

Update 10th September Councillor Scutt

County transport officers advised that it would not be possible to have dedicated parking bays for the library. Restricting parking to two hours in the area would require a Traffic Regulation Order and would include a wider area.

Update 19th November Councillor Scutt

Double yellow line work due to for early next year.

<p>15/4/NAC Q2 To investigate with property services: area around Tesco's continues to be untidy. There is a large, uncovered, wire cage style litter bin, and rubbish gets blown about.</p>	<p>Councillor Price</p>	<p>Property Services are in the process of renewing the lease to Tesco and as part of this they will be leased an additional area at the rear of the shops where their cages are and will be erecting a simple store with flat roof (subject to landlord's approval of the design and planning approval). Their cages will be installed in the area and this should be tidier and eliminate blown rubbish. The rear access road is just for Tesco and the takeaway for deliveries but not, longer term parking. The tenants are responsible to ensure the access is not blocked and control rubbish etc. We will pick up these issues with them.</p> <p>16 June 2015</p> <p>Retrospective planning application on-going.</p> <p>Update 10th September Councillor Price Councillor Price stated that work to improve was underway.
