Subject: Alcohol Licence Application for Golden Spice 74 Akeman Street Cambridge

Dear Sir/Madam

I write to you concerning the recent application made by Golden Spice, 74 Akeman Street, Cambridge, CB4 3HG for an alcohol licence.

I [REDACTED] have seen many changes in the area over the years. Golden Spice has been a part of the community for many of those years [REDACTED]

In recent years there has been an increase in anti-social behaviour in the area and especially with 'gangs' congregating outside the Golden Spice Takeaway.

With the continued and increased level of anti social behaviour incurring in front of the Golden Spice takeaway, I believe that the availability of alcohol from the premises will only make the problem of anti social behaviour worse. It is very dangerous already [REDACTED] on this street, [REDACTED] having readily available alcohol on the doorstep of where they congregate will only make the situation unbearable.

I can't think of any neighbour [REDACTED] wanting Golden Spice to have an alcohol licence, my only fear is not many of them know that an application submitted and therefore unable to put forward there objection.
