1. Introduction

This report provides an overview of City Council Refuse and Environment and Streets and Open Spaces service activity relating to the geographical area served by the East Area Committee. The report identifies the reactive and proactive service actions undertaken in the previous, including the requested priority targets and reports back on the recommended issues and associated actions to be targeted in the following period. It also includes key officer contacts for the reporting of waste and refuse and public realm issues.

2. Target setting and recommendations

All those at Committee have an opportunity to suggest issues that they would like to see tackled in the neighbourhood area during the upcoming period to help shape the activity to be undertaken within the public realm. Following suggestions that are received the relevant teams will consider the suggestions, and will prioritise work, responding reactively where appropriate and programming some work for the future. All suggested targets will be reported back on in the following period to update members and the public on the status of the issue. Recommendations will also be presented to the committee for consideration and to aid discussion.

Recommendations

The following are suggestions for members on what action could be considered for priority within the East Area for the upcoming period.

Continuing priorities*

Number	Priority details
1	Early morning, daytime and weekend patrols for dog fouling Mill Road Cemetery.
2	Enforcement patrols to tackle environmental crime at Thorpe Way estate and St Matthews Street area
3	Enforcement patrols to tackle fly tipping, litter, side waste and trade waste along in the Petersfield area of Mill Road

Members are recommended to endorse the above recommendations or to make proposed amendments, and in doing so to consider the community intelligence questions below to help shape the public realm work.

Community intelligence questions

1. What geographical locations would benefit from targeted work? (including public realm enforcement activity and clean-up work by the community payback)
2. What locations for new and replacement general waste, recycling and dog bins (in line with resources available) should be considered?
3. Where and when the dog warden service should patrol in order to target dog fouling?

* Amendments to continuing priorities are shown in italics

3. Routine activity

Streets and Open Spaces teams work closely with residents, community and campaign groups to keep Cambridge clean, green and safe. Street cleansing works to clear shop fronts and maintain all residential streets to a good standard of cleaning by sweeping them regularly. The team empties litterbins and dog bins across the city parks and open spaces, as well as removing graffiti and clearing needles and fly tipping.

The grounds maintenance team maintains all council housing and highway grass and shrub beds across the city, and carries out the maintenance of the city's cemeteries and crematoriums as well as the maintenance of all parks across the city. The City Rangers team provide a street-level, face-to-face contact point for people to raise any cleanliness and public safety issues that they might have concerning their neighbourhood.

The dog warden patrols within Cambridge to increase people's awareness of the requirement to clear up after their pets, as well as collecting stray dogs within the city and works alongside animal charities to deliver educational roadshows. Investigation of instances of environmental crime in public places across the city is carried out by the public realm enforcement team. As well as undertaking enforcement action where necessary, the team provide advice for residents and businesses on issues including fly tipping, litter, waste, illegal advertising, abandoned shopping trolleys, verge parking and abandoned, untaxed and nuisance vehicles.

4. Specific issues and actions

The following specific issues were identified for targeted action in the previous period. The following tables summarise the action undertaken and current situation, whether ongoing or completed, for each issue.

Priority 1	Enforcement patrols to tackle fly tipping at St Matthews Street area
Action Taken	Approximately 20 hours of patrols were completed in the St Matthews area. Sixteen FPNs were issued for littering over this period. Two warnings were issued for domestic waste related offences, seven fly tipping investigations were completed and fixed penalties issued for some offences. FPN's issued for fly tipping. Two abandoned vehicles were investigated over this period.
Current Situation:	Ongoing

Priority 2	Early morning , daytime and weekend patrols for dog fouling at the following locations: <ul style="list-style-type: none"> • Mill Road Cemetery
Action Taken	Dog warden patrols have been conducted by both the Dog Warden Service and Enforcement team to address the issues of dog fouling totalling over 25 hours. Educational advice and dog bags continue to be provided to a number of dog walkers at these locations. This area continues to be problematic for dog fouling and is recommended to continue for the upcoming period.
Current Situation:	Ongoing

Priority 3	Enforcement patrols to tackle environmental crime at Thorpe Way estate
Action Taken	Nine hours of patrols carried out, covering abandoned vehicles, dog fouling and fly tipping. Two incidents of fly tipping were found, relating to household waste and white goods, no evidence was found as to who was responsible. Three abandoned vehicles dealt were also dealt with.
Current Situation:	Ongoing

Priority 4	Enforcement patrols to tackle fly tipping, litter, side waste and trade waste in the Petersfield area of Mill Road.
Action Taken	Eighty hours in total of patrols of Mill Road and streets leading off of it. Enforcement action taken includes legal proceedings being taken for two prosecutions in the Tenison Road area, formal letters served on a residential property for fly tipping, formal notices served on several businesses on Mill Road for not managing their trade waste correctly. A number of fixed penalties have also been issued for littering in the Mill Road area.
Current Situation:	Ongoing

Summary of public realm enforcement data

- Of the 65 abandoned vehicles the majority were removed by their owners or claimed within the 7 day notice period. The majority of vehicles identified in this period are as part of the proactive work carried out by the enforcement team. Eight abandoned vehicles were removed in the period, including Catharine Street, Coldhams Lane, Fairfax Road, Galfrid Road, Mackenzie Road and Sleaford Street. Two fixed penalty notices were issued for abandoned vehicles, one of which was paid and the other case remains ongoing.
- Five nuisance vehicles were found across the East Area. Following warning letters all of the vehicles were removed from sale within a 7 day period.
- One hundred and nineteen cycles were removed from across all four wards. The number of cycles removed as abandoned in the East area usually varies between 75 to 125 bi annually.
- There were fifty seven domestic waste investigations conducted in the East area, the majority of which was waste littered and fly tipped at recycling centres across the area. Of the investigations conducted there were twenty one cases it was not possible to identify a responsible suspect or there was insufficient evidence to proceed, a number of cases are ongoing.
- Nine cases of trade waste were investigated in the East area, including cases of waste being dumped or bins not being managed. Four statutory notices were issued to businesses for not managing their waste correctly. One fixed penalty was issued for not complying with a statutory notice regarding the management of trade waste and was subsequently paid.
- There were fifty one cases of litter investigated in the East area; forty six fixed penalties were issued for littering including East Road, Devonshire Road, Mill Road, Norfolk Street, Covent Garden and St Matthews Street. Five cases are currently ongoing, and the rest of the fixed penalty notices were subsequently paid.
- There were twelve cases of illegal camping at Mill Road Cemetery, Petersfield Recreation Ground, Stourbridge Common and Coldhams Common. Statutory notice was served on nine of the sites; only five tents were impounded by the enforcement team.

6. Proactive and community work

The proactive and community work for the East Area is listed below:

	Community Payback projects
Action Taken	Over 15 projects were carried out with the help of Community Payback between March and August. These include regular jobs in the East that such as clearing the alleyways in Tenison Road and Downhams Lane footpath to Hawkins Road.
Current Situation	Completed

Task	Clean-up day
Action Taken	Ekin Road and Thorpe Way held Community clean-up days, supported by the rangers and Community Payback.
Current Situation	Completed

Task	Edging/Weeding
Action Taken	With the help of Community Payback various areas in the East including St Thomas Square, East Road and Tiverton Way (images attached) were edged and weeded making a vast improvement. Plans to continue edging other parts of the East are underway including Barnwell Road and Fanshawe.
Current situation	Completed/Ongoing

Task	Mill Road Cemetery
Action Taken	SOS Volunteers undertake various regular works in the cemetery (2017/18 work programme attached). We recently had a community payback team help with the clearing of piles of cutbacks created by the volunteers.
Current Situation	Ongoing

7. Environmental Volunteers

Time Credits:

You can earn Time Credits for your time as an inspector. Every hour of involvement with us earns you a 1-hour time credit – which can be spent in places like cinemas, gyms, swimming pools or music venues. The more time you give the more time credits you receive

Streets and Open Spaces Volunteers:

We're looking for volunteers to make the streets of Cambridge even cleaner, tidier and more pleasant. So whether you're already part of an existing local group and want some additional support or you're an individual who feels strongly about these issues, then get in touch to take part. Our volunteers work to improve their local streets by taking action to keep them clean, tidy and looking their best.

With the support of a dedicated council officer and our Open Spaces team you'll be able to:

- Recruit other local people to help you in a project
- Organise events locally to promote cleaner streets: litter picks, ward walks etc.
- Have access to and use specialist equipment for removing graffiti and litter
- Take part in large city wide events for volunteers
- Provide education to other members of the public
- Work with a variety of council departments and other agencies to solve problems that you find on your streets.

And many more! As a volunteer you're free to suggest your own ideas and we will do our best to accommodate them. We don't expect you to give huge amounts of time to our projects, as a volunteer, we just hope you can commit some regular time each month to keep the project active and vibrant in the community

To find out more contact Rina Dunning on caterina.dunning@cambridge.gov.uk or 01223 458084.

Recycling Champions:

Are you a passionate about recycling? Would you like to meet other people who are also keen to help to promote recycling, minimizing waste and sustainability? Do you enjoy working with the public? If yes, then why not become a recycling champion. Cambridge City Council and South Cambridge District Council are looking for volunteers to help spread the word about recycling within the community. You don't need any experience or previous knowledge, you just need to believe that recycling is important, be friendly and approachable and be willing to convey your enthusiasm about helping the environment to others. Full training will be provided.

Our volunteers do a variety of roles such as:

- Run stalls at various events in the city and south of Cambridge
- Do door knocking around flats, hand out leaflets
- Attend monthly recycling champions meetings
- Do talks to community groups and schools about recycling
- Write articles in newsletters and go on trips to visit various recycling sites to learn about waste management and recycling.

For more information about how to become a recycling champion please contact the Recycling Coordinator Birgitta Laurent at birgitta.laurent@cambridge.gov.uk or telephone 01223 458 240.

9. Resources

The following are suggestions that members of the East Area Committee and residents and businesses may wish to consider or request for the upcoming period:

Remaining bins stocks for the city have been reallocated across all wards to ensure that bins are installed where required.

Recycling and general street litter bins

A small quantity of recycling and general street litter bins are available for each ward, as follows:

Ward	Bins used	Bins available for installation
Abbey	13	2
Coleridge	9	3
Petersfield	8	3
Romsey	10	3

We would like to receive suggestions for where bins should be installed on the street and will investigate the suitability of all suggested locations. We will also be undertaking a review of where bins are currently installed to see how they are used.

Dog bin provision

A number of dog bins are available for each ward, as follows:

Ward	Bins used	Bins available for installation
Abbey	4	2
Coleridge	4	2
Petersfield	1	1
Romsey	1	1

We would like to receive suggestions for where bins should be installed on the parks and open spaces and will investigate the suitability of all suggested locations. We will also be undertaking a review of where bins are currently installed to see how they are used.

Installed bin sites:

Ward	Location	Installation Date	Comments
Abbey	Barnwell Road (entrance to Coldhams Common)	December 2014	
Abbey	Egerton Close (junction with Egerton Road)	March 2015	
Abbey	Fison Road / Thorpe Way	January 2015
