### **Key Decision**

#### **1. Executive Summary**

- 1.1 The Housing Revenue Account Budget Setting Report, considered and approved in January / February of each year is the long-term strategic planning document for housing landlord services provided by Cambridge City Council.
- 1.2 The Housing Revenue Account (HRA) Medium Term Financial Strategy provides an opportunity to review the assumptions incorporated as part of the longer-term financial planning process, recommending any changes in response to new legislative requirements, variations in external economic factors and amendments to service delivery methods, allowing incorporation into budgets and financial forecasts at the earliest opportunity.

## **2. Recommendations**

### **Recommendations to be considered under Part 1 of the Housing Scrutiny Committee Agenda:**

The Executive Councillor is recommended to:

- 2.1 Approve the Housing Revenue Account Medium Term Financial Strategy attached, to include all proposals for change in:
- Financial assumptions as detailed in Appendix B of the document.
  - 2018/19 revenue budgets and future year forecasts as introduced in Section 5, resulting from changes in financial assumptions and the financial consequences of change and the need to respond to unavoidable pressures, as introduced in Section 5, detailed in Appendix D of the document and summarised in Appendices G (1) and G (2).
  - The level of fees charged to new build schemes by the Housing Development Agency, as detailed in Section 7 of the Housing Revenue Account Medium Term Financial Strategy.
- 2.2 Approve that delegated authority be given to the Strategic Director to be in a position to confirm that the authority can annually renew its investment partner status with Homes England.

### **Recommendations to be considered under Part 2 of the Housing Scrutiny Committee Agenda:**

The Executive Councillor is asked to recommend to Council:

- 2.3 To approve proposals for changes in existing housing capital budgets, as introduced in Sections 6 and 7 and detailed in Appendix E of the document, with the resulting position summarised in Appendix H, for decision at Council on 18th October 2018.

### **3. Background**

*Page: 3*

- 3.1. The Housing Revenue Account budget was set for 2018/19 as part of 2018/19 HRA Budget Setting Report, approving a net contribution to reserves in the year of £3,280,730.
- 3.2 This figure was later amended to reflect approvals to carry forward expenditure originally anticipated to be incurred in 2017/18 into 2018/19 as part of the closedown process for 2017/18. Following these changes, the sum of £2,582,040 was anticipated to be made as a contribution to reserves for the year.
- 3.3 The HRA Medium Term Financial Strategy revisits the assumptions made as part of the HRA Budget Setting Report, and recommends both changes in these and in some areas of budgeted expenditure and income for 2018/19 and beyond.
- 3.4 The resulting financial impact for the Housing Revenue Account is explained and summarised in the attached document and appendices.
- 3.5 To be in a position to be able to bid for any funding or additional borrowing capacity provided through Homes England for the provision of social, affordable or intermediate housing, the authority is required to remain an investment partner with Homes England. To remain as an investment partner, as Cambridge City Council is currently, the authority is required to confirm annually that there have been no material changes to its membership status and that there is authority in place for continued membership.
- 3.6 As part of this covering report for the HRA Medium Term Financial Strategy, delegated authority is requested to allow the Strategic Director to make this annual confirmation.
