

## APPENDIX B

Outcome	Detail
<p>The DBS Certificate did not reveal any information and remains current as no further information has been identified since its issue.</p>	<p>This means that either:</p> <ul style="list-style-type: none"><li>a) The DBS certificate when issued was blank (it did not reveal any information about the person), or;</li><li>b) No new information has been found since its issue and can therefore be accepted as being still current and valid.</li></ul> <p>In both these scenarios, the Update Service element of checking an individual's fitness and propriety would be satisfactory and complete.</p>
<p>The DBS Certificate remains current as no further information has been identified since its issue.</p>	<p>This means that:</p> <ul style="list-style-type: none"><li>a) The DBS certificate revealed information about the person, and;</li><li>b) No new information has been found since its issue and can therefore be accepted as being current and valid</li></ul>
<p>This DBS certificate is no longer current. Please apply for a new DBS check to get the most up to date information.</p>	<p>This means that new information has come to light since the DBS certificate was issued and a new DBS check will need to be undertaken in order to see this information.</p>
<p>The details entered do not match those held on the system. Please check and try again.</p>	<p>This means that either:</p> <ul style="list-style-type: none"><li>a) The individual has not subscribed to the Update Service,</li><li>b) The DBS certificate has been removed from the Update Service, or;</li><li>c) The information has been entered incorrectly.</li></ul>
