## 2. West / Central Area Profiles

In this section an update of what teams have been doing in the previous six months is detailed.

## Ward Profile: Castle

### Map

### Community Engagement team

The Community Engagement Team ran several corporate volunteer events in the West including groups from Booking.com who spent the day cutting back overgrown shrubbery and bramble from the play area at Histon Road Recreation Ground in December.

Students from St Catherine's College undertook a litter pick on Castle Hill and shared with the team the photos of their efforts and volume of litter that they collected.

If you would like to nominate some work for the Community Payback to undertake or to get involved with volunteering, please get in contact with the Community Engagement Team.

### **Dog Warden Service**

Regular patrolling of the green spaces in this area with a focus on Histon Road recreation ground in the past six months.

**Fouling:** Lady Margaret Road fouling issue highlighted by a member of the public, and a suspect was identified, education and advice provided in conjunction with a warning letter. Fouling sign put up; no further reports received.

**Stray Dogs:** One stray dog found by a member of the public and collected by the service. The dog was not microchipped in accordance with The Microchipping of Dogs (England) Regulations 2015. Reunited with owner who was subsequently issued a formal notice requiring the dog to be microchipped and the details registered on an approved database. Formal notice was complied with.

To contact us regarding a dog issue, please contact your dog warden Bree Donovan.

### **Enforcement team**

Officers conduct regular patrols in the area, spending approximately 10-15 hours per week there. Particular attention is given to the Castle Park recycling centre and Chatsworth Avenue. These are particularly bad areas for fly tipping.

- Castle Park Recycling Centre - The recycling point seems to be a hot spot area for the dumping of waste outside of the bins. Over the past six months officers have dealt with ten separate fly tips at the recycling centre. This has resulted in two fixed penalty notices for the offence of fly tipping being issued, which have now been paid. There is also one investigation that is ongoing, the suspect has been contacted and officers are awaiting their response.

- Chatsworth Avenue - This is another site that seems to attract a large amount of fly tipping. Within the past six months officers have dealt with three separate fly tips at this location. This has resulted in one fixed penalty notice being issued for the offence of fly tipping, which has now been paid. Officers have also spoke to a suspect in regards to fly tipping a fridge freezer and gave them words of advice and asked them to remove it, which they have now done.

- There have also been a number of other fly tips that have been investigated within Castle however none have resulted in further action being taken due to the nature of the waste. These have been in Sherlock Road, Mount Pleasant and Chesterton Road.

Abandoned vehicles – Eleven suspected abandoned vehicles have been investigated within Castle, however only one of which has been declared abandoned and removed, and has subsequently claimed back by the owner. All the others were either claimed or removed by the owner. These reports seem to be more of a parking issue than an abandoned vehicle issue, however due to our statutory duty officers visit all reported vehicles.

If you would like to report an environmental crime issue in your ward, please get in contact with your Enforcement Officer, Jess Tombs.

### **Operations service**

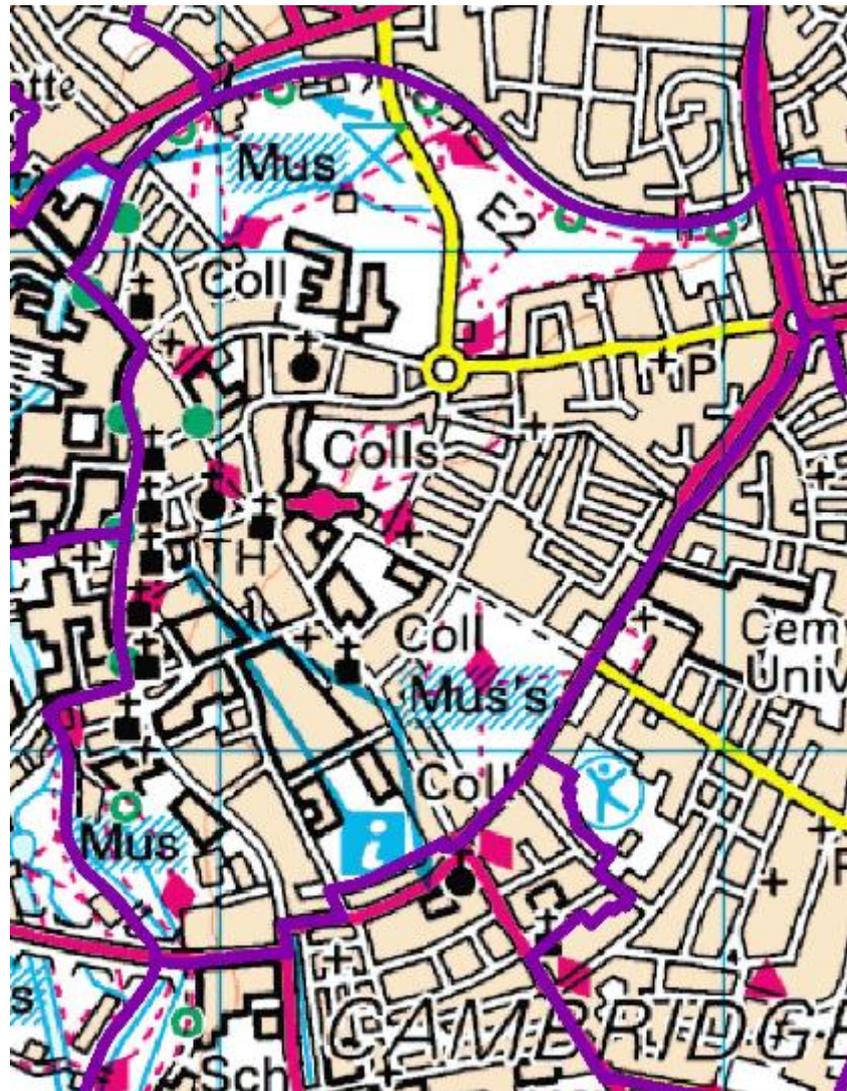

We have been busy clearing all the leaf fall in the area with the grounds maintenance teams and have started are winter pruning ready for the bird nesting season. In the coming months we will be getting ready for grass cutting season.

Our cleansing teams have been removing small fly tips and constantly removing cardboard within the areas. We have been sweeping all the main roads and residential areas of detritus and carrying out deep cleaning as we go round the ward.

If you would like to report a cleansing or grounds maintenance issue, please contact our Customer Service Centre.

## Ward Profile: Market

### Map

### Community Engagement team

In August the Community Engagement Team supported over forty volunteers who came from AECOM and the volunteers undertook a day of activities painting the railings, renovating the benches and litter picking on Christ's Pieces.

The Community Engagement Team has started a regular monthly volunteer group with Wintercomfort customers. In January we replanted two raised flower beds by the Jesus Green outdoor lido.

The Community Engagement Team also supported and organised many litter picks across city centre including Parkers Pieces, Jesus Green, Mill Pond and Christs Pieces.

We undertook a large project to cut back and clear the overgrowth within the grounds of St Clements Church following the renovation of the church with Community Payback.

If you would like to nominate some work for the Community Payback to undertake or to get involved with volunteering, please get in contact with the Community Engagement Team.

### **Dog Warden Service**

Regular patrols of the open spaces conducted in this area with attention given to Christs Pieces, New Square, Jesus Green, Midsummer Common and Parkers Piece.

Reports received from members of the public regarding dogs kept by the homeless, predominately in Sidney Street, Sussex Street, Burleigh Street and Fitzroy Street. Concerns were raised by the public about the dog's welfare and being unaccompanied or not under a person's charge.

#### **Fouling:**

- James Street fouling issued highlighted by a member of the public. Suspect identified, education and advice provided in conjunction with a warning letter. Fouling sign put up; no further reports received.
- Little St Marys Churchyard – fouling report received which is currently being investigated.

#### **Dog Control:**

- Christs Pieces – Failure to comply with the Public Spaces Protection Order (Dog Exclusion). Reports of dogs being exercised in the fenced tennis court area. Targeted patrolling and new exclusion signs put up. On-going investigation.
- Sussex Street – Report received regarding a dog left unaccompanied. Site visited and the keeper of the dog identified rough sleeping several meters away. Advice and education given regarding dog control and a lead provided.
- Petty Cury – Dog belong to homeless individual left unaccompanied outside Boots the dog was taken by unknown person but subsequently reunited with its keeper.

Stray Dogs: Three stray dogs found by a member of the public, contained and picked up by the service for this period.

The Dog Warden Service works in partnership with Winter Comfort for the Homeless, Street Outreach Team (CLG) and Wood Green Animal Shelter Outreach team to identify individuals who live on the streets and whom have dogs. Education, advice and free help is given in relation to neutering, free microchipping, worming, flea and tick treatment and equipment such as muzzles and coats are provided along with free poo bags.

To contact us regarding a dog issue, please contact your dog warden Bree Donovan.

### **Enforcement team**

During the period between August 2019 and January 2020 officers continued to undertake proactive litter patrols within the city targeting hot spot areas, whereby numerous fixed penalty notices were issued for littering. This also includes Fitzroy Street and Burleigh Street. A number of fixed penalty notices were not paid, and subsequently suspects have been summonsed to court for littering.

Officers have also been dealing with companies within the city with regards to breaches of stator notices (section 47s) relating to commercial waste whereby fixed penalty notices have been issued. Officers continue to make educational visits to remind businesses of their duty of care in relation to the management and storage of their trade waste.

At present there are sixty six companies within the ward on section 47 notices. In this period, an additional five companies have been placed on section 47 notices relating to the poor management of their trade waste, with an additional ten being considered.

Officers have dealt with numerous fly tipping issues within the ward from householders and businesses, whereby fixed penalty notices have been issued and all paid.

Officers continue to liaise with local businesses such as cafes and restaurants that provide outside seating areas for customers in relation to smoking, reminding them of their duty of care in keeping the area clean of litter.

Officers continue to be members of the City Centre working group working in partnership with the Police, Universities, Colleges and other council teams dealing with environmental crime issues within the city. This has proven very effective and has been good for intelligence sharing.

If you would like to report an environmental crime issue in your ward, please get in contact with your Enforcement Offices, Andy Hine and Steve Phillips.

## **Operations service**

The Rapid Response and Graffiti Teams have been washing down the pavements and clearing under/around street furniture within the city centre. The areas had become very dirty due to the dry weather we had and was necessary to wash pavements to remove staining and bring the areas back up to standard.

Our cleansing teams have been removing small fly tips and constantly removing cardboard within the areas.

Our Grounds Maintenance team have been out pruning, hoeing, removing leaves and general preparation works to keep our city centre parks maintained throughout the year. From October, operatives started cutting hedges back and some have been reduced in size. At present they are removing moss from our pools areas, parks, bowling greens and tennis courts.

If you would like to report a cleansing or grounds maintenance issue, please contact our Customer Service Centre.

## Ward Profile: Newnham

### Map

### Community Engagement team

At Lammas Land a lot of work has been done in the working with community payback groups. These are people who have been given an unpaid work order as a sentence of the court. The team have edged pavements on Madingley Road (Newnham side) making them more accessible and also removed overhang and nettles.

The Community Engagement Team has worked with volunteers, corporate groups and Community Payback over the last couple of months to add woodchip to the paths at Paradise Nature Reserve.

In April 2020 the team will be undertaking an Eco-Day with Kings College School and working on a variety of biodiversity projects, including hedgehog habitats, bee and insect hotels and litter picking the local community areas.

If you would like to nominate some work for the Community Payback to undertake or to get involved with volunteering, please get in contact with the Community Engagement Team.

### **Dog Warden Service**

Regular patrols of the open spaces conducted in this area with particular focus on Lammas Land, Paradise Nature Reserve, Sheep's Green and Gough Way.

Fouling: No reports from customers received and patrols find the area in good order.

Dog Control: Nil dog control reports received.

Stray Dogs - Nil stray dogs in this area for this period.

To contact us regarding a dog issue, please contact your dog warden Bree Donovan.

### **Enforcement team**

During the period between August 2019 and January 2020 officers still continued to undertake proactive and reactive patrols on the open spaces patrols. This includes illegal campers, and dog fouling patrols.

Fly tipping issues were found to be prevalent at Lammas Land recycling centre from householders and businesses. In some cases evidence was found and the suspects dealt with accordingly, by way of fixed penalty notices. One of the businesses being dealt with is an ongoing case that is currently awaiting a court date for numerous offences relating to the management of their commercial waste.

A number of abandoned vehicles were investigated within the ward, these were inspected and seven day notices were applied accordingly. The registered owners were written to and vehicles were then removed by their owners without us having to take formal enforcement action.

Acting on complaints from local residents regarding domestic bins being left on the street blocking the public highway, inspections were under taken and words of advice were given to the householders concerned, no further reports of any issues have arisen since.

Words of advice were given to a local business in the ward relating to their A-boards after issues were raised by the public whereby they were blocking the public highway. After discussions with the business owners regarding the issues that the A boards were causing, they were moved back to the businesses curtilage. There have been no further reports of any issues.

If you would like to report an environmental crime issue in your ward, please get in contact with your Enforcement Officers, Steve Phillips and Andy Hine.

### **Operations service**

The teams have been busy clearing all the leaf fall in the area with the grounds maintenance teams and we have started are winter pruning ready for the bird nesting season. In the coming months we will be getting ready for grass cutting season.

## 5. Volunteer schemes

### Time Credits

You can earn Time Credits for your time as volunteer. Every hour of involvement with us earns you a 1-hour time credit – which can be spent in places like cinemas, gyms, swimming pools or music venues. The more time you give the more time credits you receive.

### Streets and Open Spaces Volunteers:

We're looking for volunteers to make the streets of Cambridge even cleaner, tidier and more pleasant and to spread our motto 'A greener, cleaner city starts with you'. So whether you're already part of an existing local group and want some additional support or you're an individual who feels strongly about these issues, then get in touch to take part. Our volunteers work to improve their local streets by taking action to keep them clean, tidy and looking their best.

With the support of a dedicated Area Ranger you'll be able to:

- Recruit other local people to help you in a project
- Organise events locally to promote cleaner streets: litter picks, ward walks etc.
- Have access to and use specialist equipment for removing graffiti and litter
- Take part in large city wide events for volunteers
- Provide education to other members of the public
- Get involved with new volunteer roles/projects

As a volunteer you're free to suggest your own ideas and we will do our best to accommodate them. We don't expect you to give huge amounts of time to our projects, as a volunteer, we just hope you can commit some regular time each month to keep the project active and vibrant in the community.

To sign up or find out more visit our webpage <https://www.cambridge.gov.uk/streets-and-open-spaces-volunteers> or contact our Community Engagement Team on [sosvolunteers@cambridge.gov.uk](mailto:sosvolunteers@cambridge.gov.uk) or 01223 458084

### Recycling Champions:

Are you a passionate about recycling? Would you like to meet other people who are also keen to help to promote recycling, minimizing waste and sustainability? Do you enjoy working with the public? If yes, then why not become a recycling champion. The Greater Cambridge Shared Waste Service is looking for volunteers to help spread the word about recycling within the community. You don't need any experience or previous knowledge, you just need to believe that recycling is important, be friendly and approachable and be willing to convey your enthusiasm about helping the environment to others. Full training will be provided.

Our volunteers do a variety of roles such as:

- Run stalls at various events in the city and south of Cambridge
- Do door knocking around flats, hand out leaflets
- Attend monthly recycling champions meetings
- Do talks to community groups and schools about recycling
- Write articles in newsletters and go on trips to visit various recycling sites to learn about waste management and recycling.

To become a recycling champion please visit our webpage <https://www.cambridge.gov.uk/become-a-recycling-champion>, or contact [recycling.champions@scams.gov.uk](mailto:recycling.champions@scams.gov.uk) or telephone 07525 213774.
