Statement of Accounts 2018/19 – Letter of Representations

This letter of representations is provided in connection with your audit of the consolidated and council financial statements of Cambridge City Council (“the Group and Council”) for the year ended 31 March 2019. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the consolidated and council financial statements give a true and fair view of the Group and Council financial position of Cambridge City Council as of 31 March 2019 and of its financial performance (or operations) and its cash flows for the year then ended in accordance with, for the Group and Council, CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2018/19.

We understand that the purpose of your audit of our consolidated and council financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing, which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with, for the Group and Council, the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2018/19.
2. We acknowledge, as members of management of the Group and Council, our responsibility for the fair presentation of the consolidated and council financial statements. We believe the consolidated and council financial statements referred to above give a true and fair view of the financial position, financial performance (or results of operations) and cash flows of the Group and Council in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2018/19 and are free of material

misstatements, including omissions. We have approved the consolidated and council financial statements.

3. The significant accounting policies adopted in the preparation of the Group and Council financial statements are appropriately described in the Group and Council financial statements.
4. As members of management of the Group and Council, we believe that the Group and Council have a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2018/19 for the Group and the Council that are free from material misstatement, whether due to fraud or error. We have disclosed to you any significant changes in our processes, controls, policies and procedures that we have made to address the effects of the COVID-19 pandemic on our system of internal controls.
5. We believe that the effects of any unadjusted audit differences, summarised in the accompanying schedule, accumulated by you during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the consolidated and council financial statements taken as a whole. We have not corrected these differences identified and brought to our attention by the auditor because they relate solely to changes to the pension fund liability for which we have not sought a formal actuarial estimate, and the impact on the financial statements is not material.

B. Non-compliance with law and regulations, including fraud

1. We acknowledge that we are responsible for determining that the Group and Council's activities are conducted in accordance with laws and regulations and that we are responsible for identifying and addressing any non-compliance with applicable laws and regulations, including fraud.
2. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.
3. We have disclosed to you the results of our assessment of the risk that the consolidated and Council financial statements may be materially misstated as a result of fraud.
4. We have no knowledge of any identified or suspected non-compliance with laws or regulations, including fraud that may have affected the Group or Council (regardless of the source or form and including without limitation, any allegations by "whistleblowers"), including non-compliance matters:
 - involving financial statements;

- related to laws and regulations that have a direct effect on the determination of material amounts and disclosures in the consolidated or Council's financial statements;
- related to laws and regulations that have an indirect effect on amounts and disclosures in the financial statements, but compliance with which may be fundamental to the operations of the Group or Council's activities, its ability to continue to operate, or to avoid material penalties;
- involving management, or employees who have significant roles in internal controls, or others; or
- in relation to any allegations of fraud, suspected fraud or other non-compliance with laws and regulations communicated by employees, former employees, analysts, regulators or others.

C. Information Provided and Completeness of Information and Transactions

1. We have provided you with:

- Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
- Additional information that you have requested from us for the purpose of the audit; and
- Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.

2. All material transactions have been recorded in the accounting records and all material transactions, events and conditions are reflected in the consolidated and Council financial statements, including those related to the COVID-19 pandemic.

3. We have made available to you all minutes of the meetings of the Group and of the Council, and the following committees: Civic Affairs; Council; Housing Scrutiny; Strategy and Resources Scrutiny; and Executive, (or summaries of actions of recent meetings for which minutes have not yet been prepared) held through the year to the most recent meeting on the following date: **[list date]**.

4. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the Group and Council's related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the year ended, as well as related balances due to or from such parties at the year end. These

transactions have been appropriately accounted for and disclosed in the consolidated and council financial statements.

5. We believe that the significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
6. We have disclosed to you, and the Group and Council has complied with, all aspects of contractual agreements that could have a material effect on the consolidated and council financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.
7. We have disclosed to you any cybersecurity breach that either occurred or that third parties (including regulatory agencies, law enforcement agencies and security consultants) had brought to our attention during the period under audit that could potentially be material to the financial statements.

D. Liabilities and Contingencies

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the consolidated and council financial statements.
2. We have informed you of all outstanding and possible litigation and claims, whether or not they have been discussed with legal counsel.
3. We have recorded and/or disclosed, as appropriate, all liabilities related litigation and claims, both actual and contingent.

E. Subsequent Events

1. Other than described in Note 42 to the consolidated and council financial statements, there have been no events, including events related to the COVID-19 pandemic, subsequent to year end which require adjustment of or disclosure in the consolidated and council financial statements or notes thereto.

F. Group audits

1. There are no significant restrictions on our ability to distribute the retained profits of the Group because of statutory, contractual, exchange control or other restrictions other than those indicated in the Group financial statements.
2. Necessary adjustments have been made to eliminate all material intra-group unrealised profits on transactions amongst council, subsidiary undertakings and associated undertakings.

G. Other information

1. We acknowledge our responsibility for the preparation of the other information. The other information comprises the Narrative Report and Annual Governance Statement.

2. We confirm that the content contained within the other information is consistent with the financial statements.

H. Contingent Liabilities

1. We are unaware of any violations or possible violations of laws or regulations the effects of which should be considered for disclosure in the consolidated and council financial statements or as the basis of recording a contingent loss (other than those disclosed or accrued in the consolidated and council financial statements).
2. We are unaware of any known or probable instances of non-compliance with the requirements of regulatory or governmental authorities, including their financial reporting requirements, and there have been no communications from regulatory agencies or government representatives concerning investigations or allegations of non-compliance, except for matters of routine, normal, recurring nature, none of which involves any allegations of noncompliance with laws or regulations that should be considered for disclosure in the consolidated and council financial statements or as a basis for recording a loss contingency.

I. Retirement benefits

1. On the basis of the process established by us and having made appropriate enquiries, we are satisfied that the actuarial assumptions underlying the scheme liabilities are consistent with our knowledge of the business. All significant retirement benefits and all settlements and curtailments have been identified and properly accounted for.

Yours faithfully
