

South Environmental Data Report 1st June 2020 – November 2020

During this period all three wards have been regularly patrolled. Increased patrols of Play Areas and Recreation Grounds during lock-down restrictions. Continued working in conjunction with residents, friends of groups and supporting volunteers. Monitoring of social distancing measures in place.

Due to Covid-19 restrictions the investigation process has been curtailed. Interviews have been suspended, therefore situation depending, education, advice and Warning letters have been used as an alternative to Fixed Penalty Notices and prosecutions. Un-taxed vehicle investigations suspended.
