Variation to premises licence

Comments:

Environmental Health has **no representation** to make.

However, I recommend that the following conditions be attached, which have been agreed with the applicant:

"Alcohol sold as part of a punting tour shall be only be consumed in the vicinity of the punting station, either before the tour, during the tour or after the tour has finished. The vicinity is defined by the plan attached to the premises licence, referenced as Permitted Location for Consumption of Alcohol. "
