

## Appendix 1 – Homelessness Prevention Grants 2022-23 Applications and Grant Recommendations

The following recommendations are subject to the confirmation of the Council’s budget in February 2022 and, in some cases, the receipt of satisfactory information from applicant organisations (this could include projects, programmes, finances, governance etc).

**Note:**

- The activity being funded will be detailed in grant agreements
- Figures in brackets are the numbers of beneficiaries
- Where no funding is recommended it is usually due to one or more of the following reasons:
  - a) insufficient value for money or organisation has unrestricted funds to be able to deliver
  - b) covered in the Streets to Homes contract, duplication of other services or the impact on similar services
  - c) poor outcomes or fit to the funding criteria
