If you would like to nominate some work for the Community Payback to undertake or to get involved with volunteering, please get in contact with the Community Engagement Team.

### **Enforcement team**

During the period between August 2021 to January 2022 officers continued to undertake proactive and reactive patrols on the open spaces' patrols. This includes illegal campers, and littering patrols.

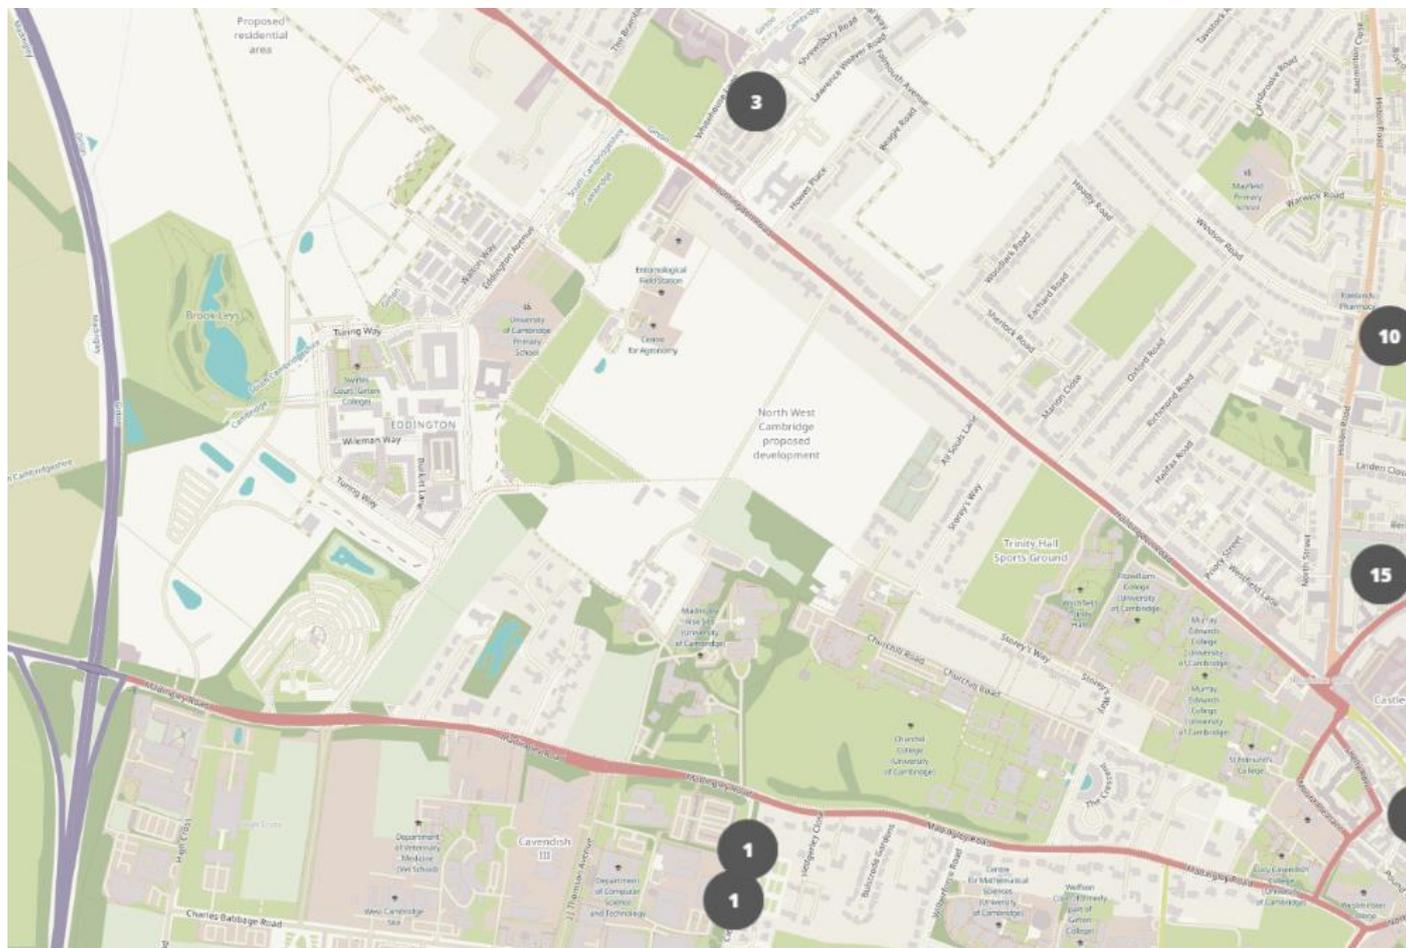

A fixed penalty notice was issued to the driver of a motor vehicle for littering a cigarette end on Huntingdon Road in August, the fixed penalty notice was subsequently paid. A further fixed penalty notice was issued to an individual littering whilst on foot.

### Streets and Open Spaces Volunteers:

We're looking for volunteers to make the streets of Cambridge even cleaner, tidier and more pleasant and to spread our motto 'A greener, cleaner city starts with you'. So, whether you're already part of an existing local group and want some additional support or you're an individual who feels strongly about these issues, then get in touch to take part. Our volunteers work to improve their local streets by acting to keep them clean, tidy and looking their best.

With the support of a dedicated Area Ranger you'll be able to:

- Recruit other local people to help you in a project
- Organise events locally to promote cleaner streets: litter picks, ward walks etc.
- Have access to and use specialist equipment for removing graffiti and litter
- Take part in large city-wide events for volunteers
- Provide education to other members of the public
- Get involved with new volunteer roles/projects

As a volunteer you're free to suggest your own ideas and we will do our best to accommodate them. We don't expect you to give huge amounts of time to our projects, as a volunteer, we just hope you can commit some regular time each month to keep the project active and vibrant in the community.
