

Appendix 2 - Area Committee Budget Calculation 2022-23

Please note: It was anticipated that the Low-Income Family Tracker (LIFT) would be available to use as a way of measuring deprivation for the 2022-23 Area Committee Grants Round. Unfortunately this has been delayed while HMRC look into the wider use of Council Tax Support/Housing Benefit data. We expect it to be available to inform the next area committee grant round.

The aim of the boundary review was to roughly equalise the ward population totals. It is apparent that the latest ONS figures do not take into account the new boundary changes. It is anticipated that ONS will catch-up with its Census 2021 figures in time to inform the next area committee grant round.
