2. East Area Profiles

In this section an update of what teams have been doing in the previous six months is detailed.

Ward Profile: Abbey

Map

Community Engagement team

Officers from the Community Engagement Team have undertaken various litter picks across the Abbey ward – including a litter pick at Abbey Pool / Coldhams Common and on Stourbridge Common as part of the Great British Spring Clean.

At Barnwell nature reserves the Community Engagement Team have organised a series of sessions to lay bark on the footpaths to improve their quality.

If you would like to nominate some work for the Community Payback to undertake or to get involved with volunteering, please get in contact with the Community Engagement Team.

Enforcement team

The area officer over the past six months has conducted regular patrols in this area, spending approximately 10 to 15 hours per week there. Over the past 6 months attention has been paid to Dennis Road, Ann's Road, Rachel Close and Helen Close as these areas are hot spot areas.

Officers have investigated twenty-two flytips in the ward, which resulted in five fixed penalty notices being issued and six cases are still ongoing. Two Community Protection Warnings have also been issued for waste management issues.

Abandoned vehicles – there have been eight reports of abandoned vehicles in the ward, one of which was removed by the council and subsequently destroyed.

There have been five cases of littering from a motor vehicle, with three cases issued a fixed penalty notice for littering and two cases are ongoing.

If you would like to report an environmental crime issue in your ward, please get in contact with your Enforcement Officers, Bree Donovan, and Adrian Bastiani.

Operations service

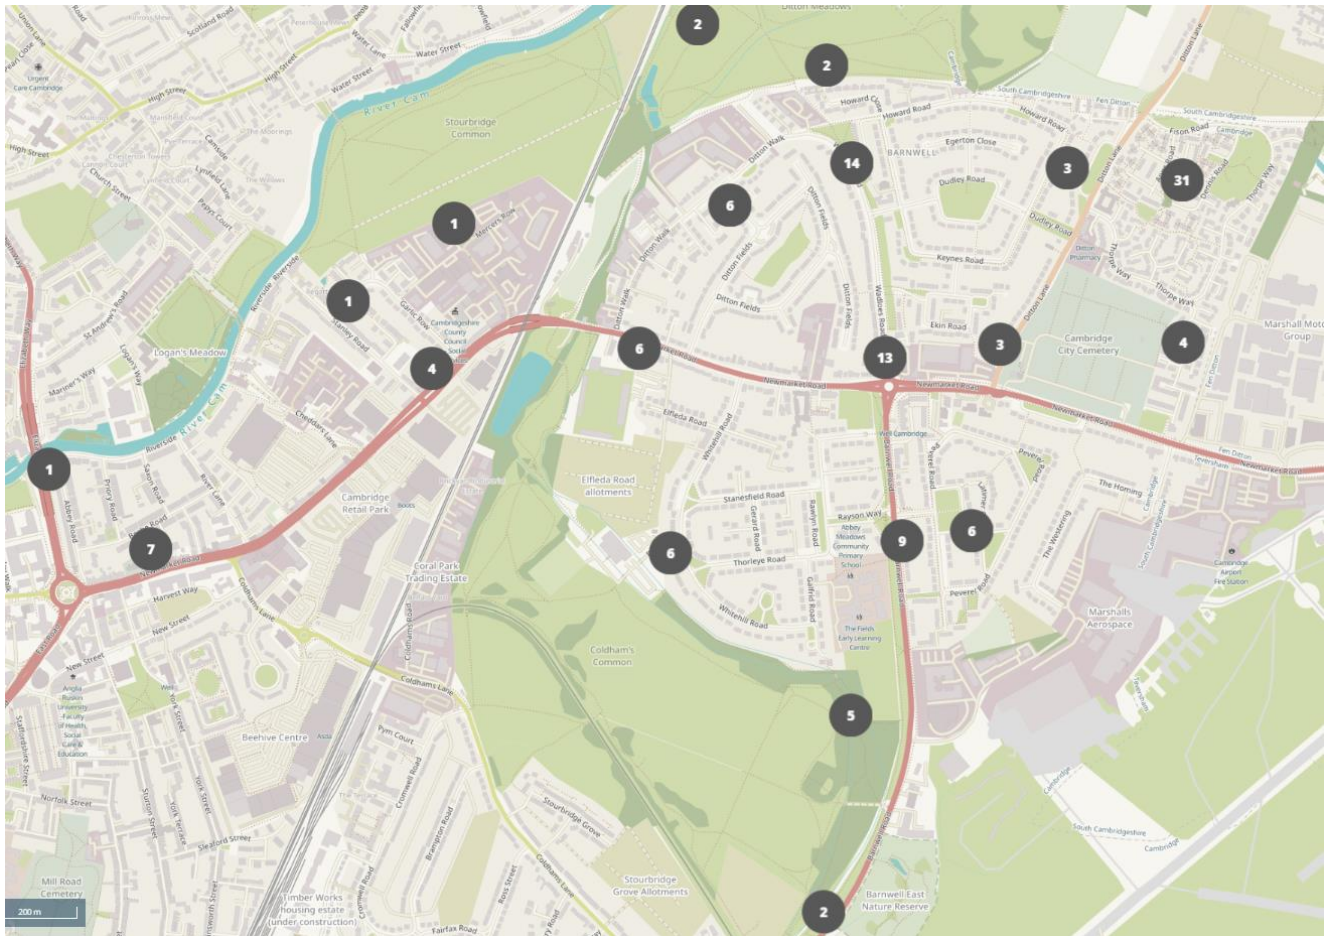

Operations have continued with the high level of focus to remove litter from the fast food and retail outlet hot spots across this area. The street cleansing team have been sweeping the main roads and residential areas of detritus, as per the ward schedule.

The team have been targeting areas that require deep cleaning and in need of attention by exception. The whole team have been working with the City Council Enforcement Officers to reduce the amount of fly-tipping across the ward, with Thorpe Way estate being identified as a particular hot spot.

Operatives have been busy cutting and maintaining grass verges and parklands with the ground's maintenance team. The team have completed pruning and maintenance of shrub beds across the highways and parks. Over the course of August, the ground's maintenance team will start preparing for and commencing hedge cutting.

The hot spot map shows the numbers and locations of the flytips cleared within the last six-month period.

If you would like to report a cleansing or grounds maintenance issue, please visit our website and complete the relevant webform (found at <https://www.cambridge.gov.uk/street-and-park-maintenance>) or contact our Customer Service Centre.

Local Nature Reserves

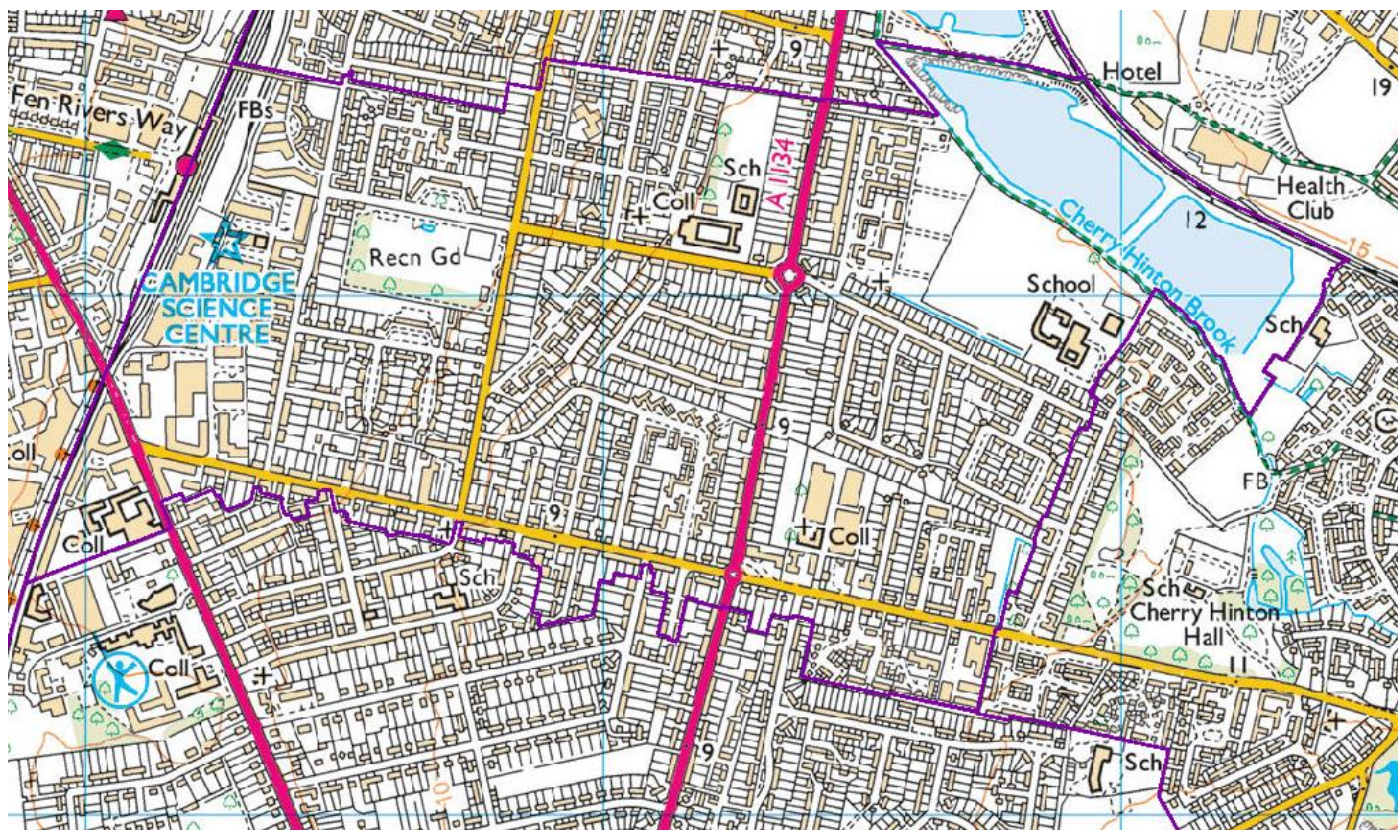

At Barnwell West nature reserve brook improvements were undertaken, and volunteers helped with re-profiling the channel with gravel, creating pools and riffles to add diversity and increase oxygen levels in the brook. Approximately thirty volunteers were involved over a four-day period, and the work was carried out in partnership with Abbey People and Anglia Water.

In addition, more than eighty varieties of native scrub were planted in the woodland next to Coldhams Brook to improve diversity and structure of the wood, this took place with ten volunteers over three days. . 10+ volunteers over 3 days.

Ward Profile: Coleridge

Map

Community Engagement team

On Coleridge Recreation Ground several litter picks were completed by volunteers. Volunteers have also attended sessions to water trees over the summer month. A corporate group from Cambridge University also undertook a group litter pick. A corporate group from SOS Children's Villages undertook a day of work, and this included bench renovations and painted railings followed by a group litter pick.

Officers have started a monthly litter pick group for volunteers and local residents to meet on the first Sunday of each month.

If you would like to nominate some work for the Community Payback to undertake or to get involved with volunteering, please get in contact with the Community Engagement Team.

Enforcement team

Officers conduct regular patrols in the area spending approximately 5 to 7 hours per week.

Fly tipping:

- In Coleridge during this reporting period, officers have had fifteen cases of fly tipping in total.
- Davy Road is a hotspot. The garage areas and the front grass area seem to be where waste is mostly dumped. This area is regularly patrolled and recently it has provided evidence relating to residents which is being investigated by officers. The waste ranging from cardboard, mattresses, and ovens. However, as in previous times due to the nature of the waste that is being dumped, officers have been unable to take any further action as there isn't the any available evidence.
- At the beginning of August, a clear up day was held for residents at Davy Road.
- Golding Road and Lichfield have also been fly tipping and several fixed penalty notices have been issued for various offences which include fly tipping and breach of household duty of care.

Littering is spasmodic, in total officers have had only four cases during this period. There was no pattern to the littering.

Abandoned vehicles: This is mainly because of a call to the Customer Service Centre or an email from a resident/member of the public, however, general patrols are undertaken regarding the issues of abandoned and untaxed vehicles. Officers work closely with estate managers and residents who are very vigilante. Officers have had a total of sixteen abandoned vehicles in this area. The majority have been claimed by the owners.

Dog control:

- Budleigh Close: Fouling problem on communal grass area has been reported. The suspect was on this occasion identified and contact made in conjunction with Housing department. No further reports have been received.
- Coleridge Recreation Ground Play Area – this is a Dog Exclusion Area and officers received reports that dogs were being exercised inside the play area. The owner and the dog were not identified and continued monitoring of the area with regular patrols being conducted.
- Radebund Road – a stray dog was collected by this service. Taken to Wood Green and kennelled. Subsequently was reunited with owner.
- Davy Road – a stray dog was collected by this service. However, owner turned up at location and the dog and owner were reunited.

Going forward officers will continue to liaise with residents and working partners, proactively and reactively dealing with any issues that arise. Also, to undertake certain projects that hopefully will support the residents with certain environmental issues that occur daily.

If you would like to report an environmental crime issue in your ward, please get in contact with your Enforcement Officer, Tony Durman.

Operations Service

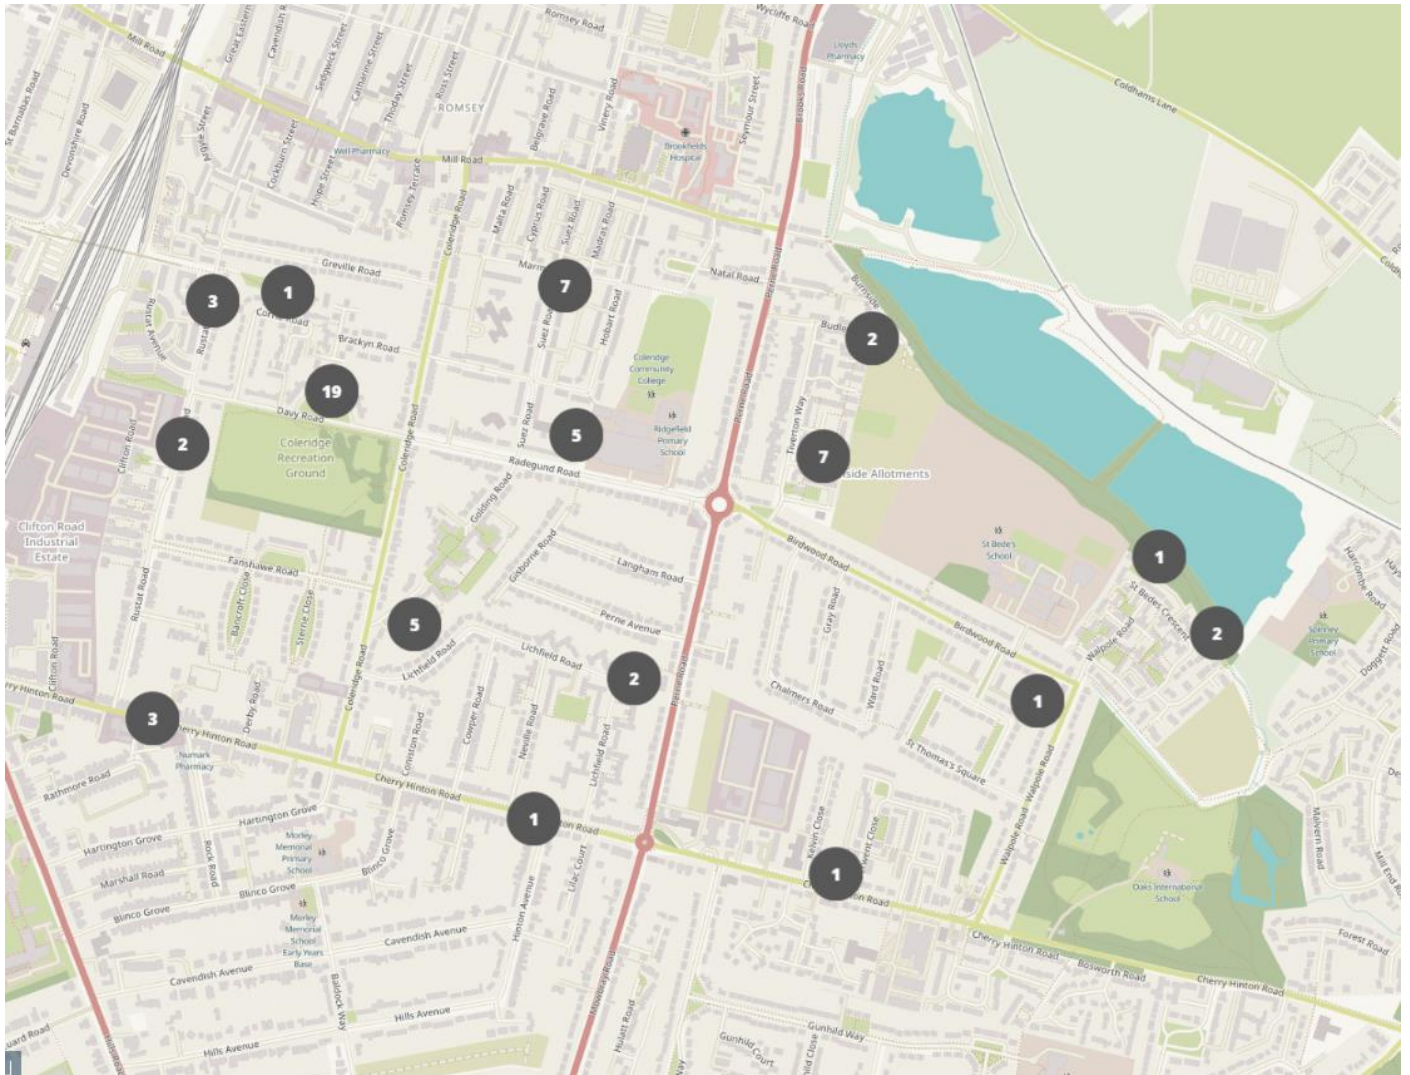

During this period, Operations have continued cutting and maintaining grass verges and recreation areas with the ground's maintenance team. The team have completed our pruning and maintenance of shrub beds across the highways and parks.

The street cleansing team have been sweeping all the main roads and residential areas of detritus, as per the ward schedule. The team have been targeting areas that require deep cleaning and in need of attention by exception. A high level of focus has been given to litter picking and cleanliness of Coleridge Recreation Ground and surrounding areas during this warm weather period.

The graffiti team have been tasked with the continual removal of affected street furniture, with Carter Bridge being identified as a specific hot spot. Over the course of August, the ground's maintenance team will start preparing for and commencing hedge cutting season.

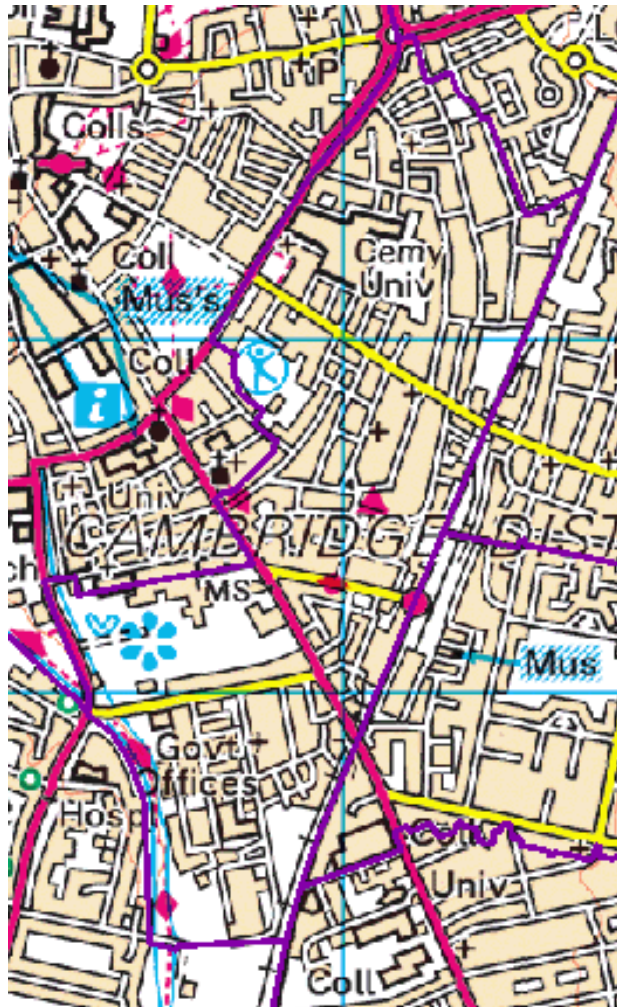

The hot spot map shows the numbers and locations of the flytips cleared within the last six-month period.

If you would like to report a cleansing or grounds maintenance issue, please visit our website and complete the relevant webform (found at <https://www.cambridge.gov.uk/street-and-park-maintenance>) or contact our Customer Service Centre

Ward Profile: Petersfield

Map

Community Engagement team

In April, Community Engagement Officers and volunteers planted nine streets on the green by St Matthews Street / Road.

Volunteers have spent a day removing saplings from the avenue which were encroaching onto the access for pedestrians and cyclists. A corporate group from Brydell Partners attended a volunteer event in the cemetery, raking the mown grass for removal and undertook a litter pick.

If you would like to nominate some work for the Community Payback to undertake or to get involved with volunteering, please get in contact with the Community Engagement Team.

Enforcement team

There are ongoing patrols within the ward relating to litter offences; during the period of March to August there were twelve incidents of littering from a motor vehicle, nine of which resulted in fixed penalty notices.

Two abandoned vehicles were investigated within Petersfield; both cases are currently ongoing and relate to vehicles at Devonshire Mews.

Ten investigations into commercial waste were undertaken in the period, which resulted in several different actions. The investigations were undertaken for either fly tipping or mis-managed commercial waste. Several businesses were given fixed penalty notices for breaching section 47 notices served on them.

There were over fifty-one investigations into domestic waste issues in the ward between March and August. Of these twenty-five resulted in fixed penalty notices being issued for littering domestic waste, fly tipping and breach of household duty of care and several cases are ongoing. Hot spots that the enforcement team investigated included Devonshire Road, Gwydir Street, Staffordshire Street, Mill Road and Tenison Road.

There were six cases of illegal advertising within the Mill Road and Gwydir Street area all of which were removed and resulted in warning letters to the suspects.

There were three cases of dog control reported including an attack on another dog in Brooklands Avenue, a request for dog signage at Hooper Street and an issue with dog fouling at Eagle Street that is ongoing.

One case of illegal camping was reported at Petersfield Recreation Ground, the occupants were served a notice and the tent was removed within 24 hours of the notice.

If you would like to report an environmental crime issue in your ward, please get in contact with your Enforcement Offices Bree Donovan Adrian Bastiani and Tony Durman.

Operations service

During this period, Operations have continued cutting and maintaining grass verges and park areas with our ground's maintenance team. The team have completed the pruning and maintenance of shrub beds across the highways and parks.

The graffiti team have been tasked with the continual removal of affected street furniture of graffiti and extinction rebellion fly-posters. Mill Road Cemetery has been identified as a specific hot spot for drug related paraphernalia and needles with the Rapid Response team making regular removals weekly.

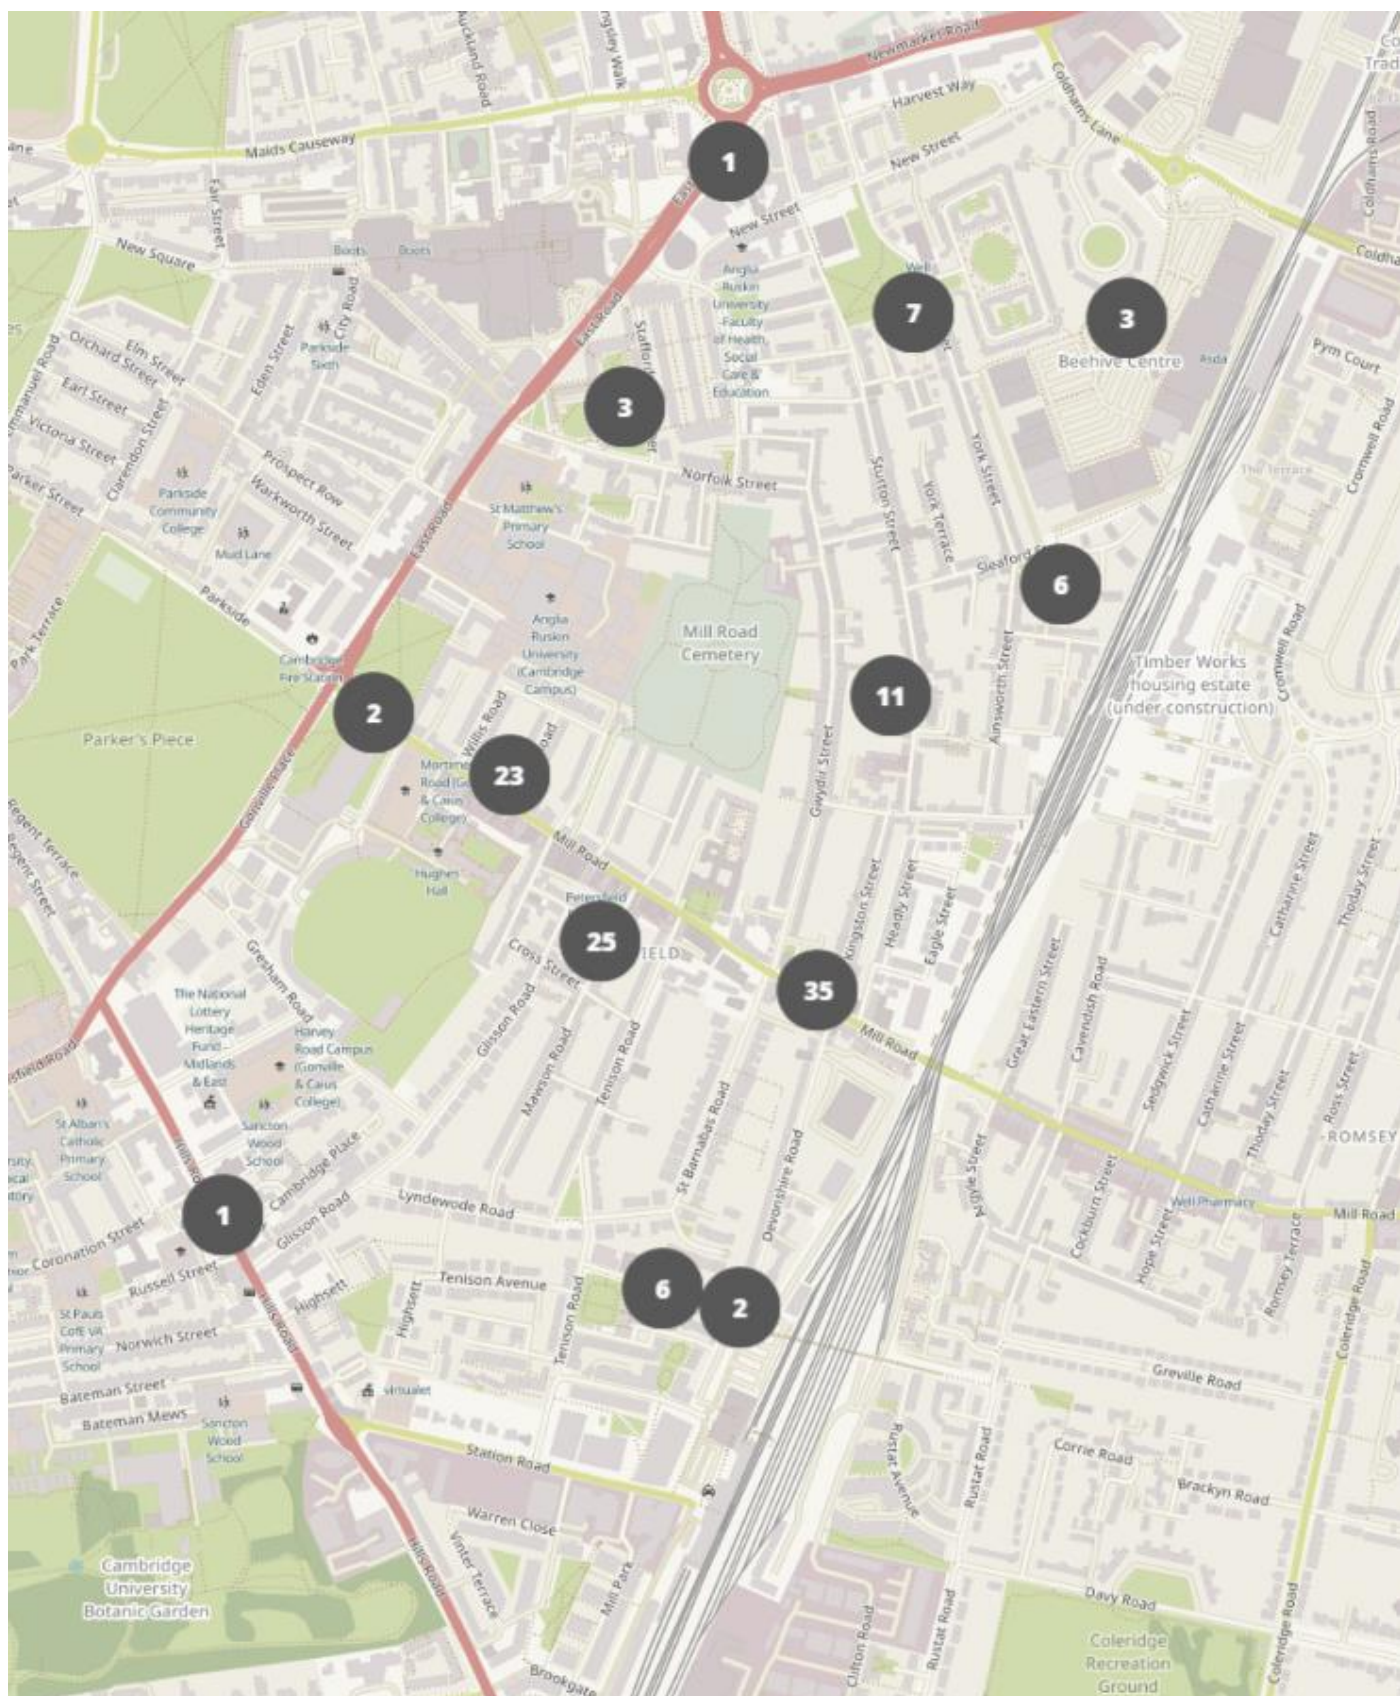

The street cleansing team have been sweeping all the main roads and residential areas of detritus as per the ward schedule. The team have been targeting areas that require deep cleaning and in need of attention. Operations have continued with the high level of focus to remove litter from the retail hotspots across this ward.

The area has seen a significant increase of needles and drug related paraphernalia with Mill Road Cemetery and Gwydir Street toilets becoming a real concern.

Over the course of August, the ground's maintenance team will start preparing for and commencing the hedge cutting season of Petersfield.

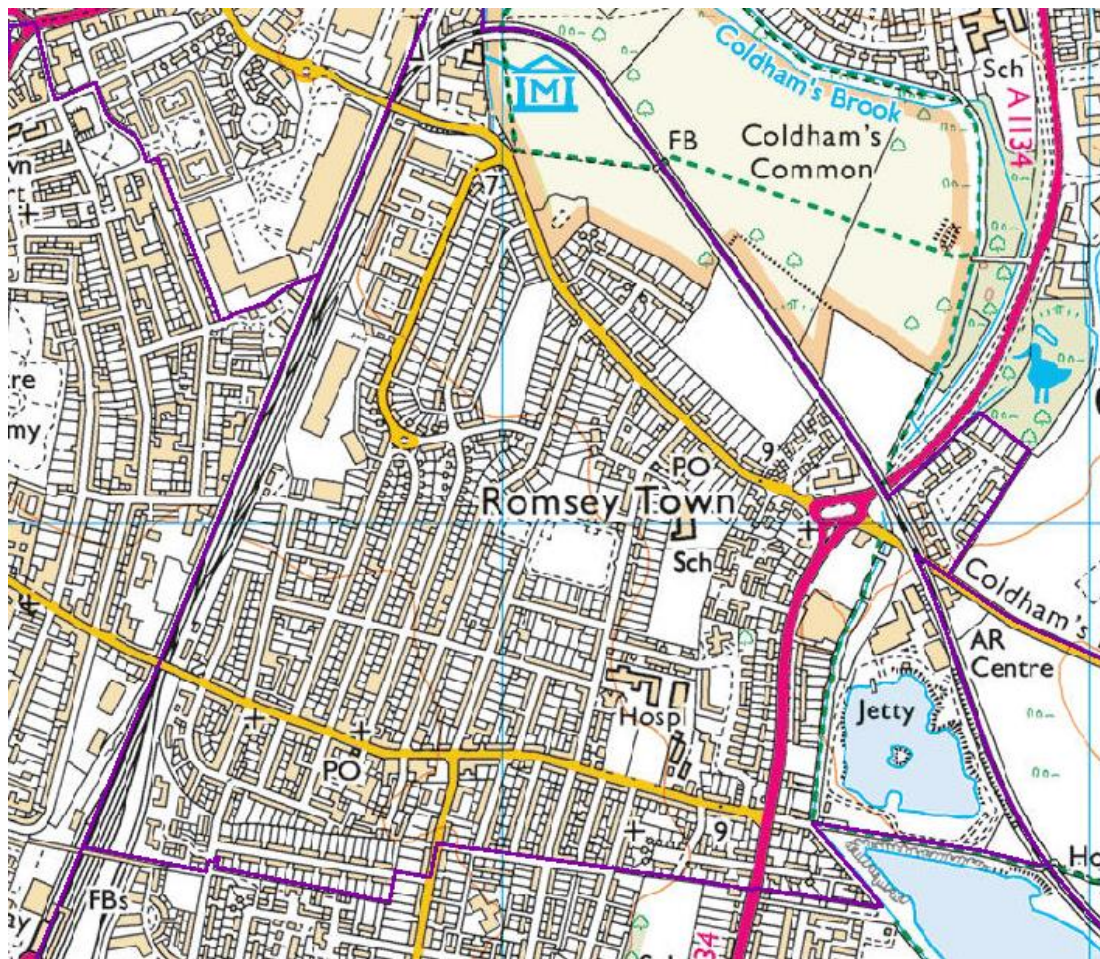

The hot spot map shows the numbers and locations of the flytips cleared within the last six-month period.

If you would like to report a cleansing or grounds maintenance issue, please visit our website and complete the relevant webform (found at <https://www.cambridge.gov.uk/street-and-park-maintenance>) or contact our Customer Service Centre.

Ward Profile: Romsey

Map

Community Engagement team

The Community Engagement team have run several litter picks on the Romsey side of Coldhams Common. A corporate group from Analysis Mason completed a day of activities on the recreation ground including tree watering and litter picking.

If you would like to nominate some work for the Community Payback to undertake or to get involved with volunteering, please get in contact with the Community Engagement Team.

Enforcement team

Officers conduct regular patrols in the area spending approximately 8 to 10 hours per week.

Fly tipping: In all, we have had approximately eleven flytips across the ward including Marmora Road, Coldhams Lane, St Philips Road and Mill Road. By far the busiest are Marmora Road and Coldhams Lane. Since the litter bins were removed at Marmora Road, the situation with fly tipping seems to have improved. The same issue is reoccurring at Coldhams Lane by the litter bins. The waste is normally household domestic waste including pots and pans and other kitchen items.

Commercial waste: Only two commercial premises have been placed on a statutory notice relating to commercial waste (Section 47) in this area since the last reporting period. Officers are pleased to say that they are managing their commercial waste correctly so far.

Littering: Littering is spasmodic, in several fixed penalty notices were issued during this period. Of which evidence was gathered and fines issued. Two fixed penalty notices were issued for littering from a motor vehicle on Brooks Road. Also, educational advice was also given, and pocket cigarette ashtrays issued.

Abandoned vehicles: This is mainly because of a call to the Customer Service Centre or an email from a resident or a member of the public. However general patrols are undertaken regarding the issues of abandoned and untaxed vehicles. During this reported period there are three hotspots which are Fairfax Road (3), Great Eastern Street (2) and Wycliffe Road (2). In total officers have had twenty-two reports of abandoned vehicles in this ward. One registered keeper was issued with a fixed penalty notice for abandoning their vehicle. Officers constantly work closely with estate managers and residents who are very vigilant. Most of the vehicles have been claimed by the owners or on revisiting the location were no longer at the location on the follow up visits.

Dogs: During this reporting period officers have dealt with a stray dog in Brooks Road whilst on patrol. The dog was taken to Wood Green and kennelled and was subsequently claimed by its owner.

Going forward officers continue to liaise with residents and working partners, proactively and reactively dealing with any issues that arise. O

If you would like to report an environmental crime issue in your ward, please get in contact with your Enforcement Offices Bree Donovan, Adrian Bastiani and Tony Durman.

5. Volunteer schemes

Time Credits

You can earn Time Credits for your time as volunteer. Every hour of involvement with us earns you a 1-hour time credit – which can be spent in places like cinemas, gyms, swimming pools or music venues. The more time you give the more time credits you receive.

Streets and Open Spaces Volunteers:

We're looking for volunteers to make the streets of Cambridge even cleaner, tidier, and more pleasant and to spread our motto 'A greener, cleaner city starts with you'. So, whether you're already part of an existing local group and want some additional support or you're an individual who feels strongly about these issues, then get in touch to take part. Our volunteers work to improve their local streets by taking action to keep them clean, tidy, and looking their best.

With the support of a dedicated Area Ranger, you'll be able to:

- Recruit other local people to help you in a project
- Organise events locally to promote cleaner streets: litter picks, ward walks etc.
- Have access to and use specialist equipment for removing graffiti and litter
- Take part in large city-wide events for volunteers
- Provide education to other members of the public
- Get involved with new volunteer roles/projects

As a volunteer you're free to suggest your own ideas and we will do our best to accommodate them. We don't expect you to give huge amounts of time to our projects, as a volunteer, we just hope you can commit some regular time each month to keep the project active and vibrant in the community.

To sign up or find out more visit our webpage <https://www.cambridge.gov.uk/streets-and-open-spaces-volunteers> or contact our Community Engagement Team on sosvolunteers@cambridge.gov.uk or 01223 458084

Recycling Champions:

Are you a passionate about recycling? Would you like to meet other people who are also keen to help to promote recycling, minimizing waste and sustainability? Do you enjoy working with the public? If yes, then why not become a recycling champion. The Greater Cambridge Shared Waste Service is looking for volunteers to help spread the word about recycling within the community. You don't need any experience or previous knowledge, you just need to believe that recycling is important, be friendly and approachable and be willing to convey your enthusiasm about helping the environment to others. Full training will be provided.

Our volunteers do a variety of roles such as:

- Run stalls at various events in the city and south of Cambridge
- Do door knocking around flats, hand out leaflets
- Attend monthly recycling champions meetings
- Do talks to community groups and schools about recycling
- Write articles in newsletters and go on trips to visit various recycling sites to learn about waste management and recycling.

To become a recycling champion please visit our webpage <https://www.cambridge.gov.uk/become-a-recycling-champion>, or contact recycling.champions@scams.gov.uk or telephone 07525 213774.
