

Housing Scrutiny Committee: 22/09/22

Item 11 Update on New Build Council Housing Delivery

Amendment to Recommendation 2.6

Amend as follows (additions in caps/bold/underlined and deletions scored through).

Approve that the update information in this report will in future be published on the Council website, rather than **AS WELL AS** in committee papers. ~~These updates will be in an accessible format and published at a similar frequency as reports currently presented to this committee. This change is in line with best practice in the sector and will make the information more widely accessible to the public as well as to all Councillors. Members of this committee will be alerted when updates are published on the Council's website [and will be able to raise questions about them directly with officers or at committee meetings].~~
