

Public Questions for Planning and Transport Scrutiny Committee – 17 January.

Q1: "What discussions have Cambridge City Council executive councillors and senior executives had with Anglia Ruskin University and other higher education institutions about bringing in town planning courses delivered in Cambridge that might help deal with the chronic shortage of town planners in the Greater Cambridge Planning Service? Please include any references to part-time and evening classes, and any conversations about retraining adults who would like to switch careers"

Q2: "Please could council officers and/or the executive councillor provide an update on any proposed new large concert hall that is mentioned in the consultation feedback papers attached to item 6 - even if it just a clarification for what the process might be. Please could council officers and/or the executive councillor provide an update to any proposals for a new Lido, outdoor swimming pool, indoor swimming pool and/or Arts Centre at the Milton Road Garage Site that's part of the NE Cambridge development site.
