“Invite the Executive to reconsider the following budget items:

- **S5118 - Closing some Public Conveniences**
Until the council has agreed an overall public toilet strategy, identifying logical locations where needs should be met, necessary investment in ongoing facilities and future coinless access options
- **S5143 - Environmental Services – reductions In staffing**
On the basis that this would reduce capacity for one of the council’s primary activities at a point when the need is for more, rather than less coverage across the city to support increasing regulation and increasing population
- **S5102 – Cancel Big Weekend City Event**
Until alternative models for funding and mounting this or a similar event have been examined
- **S5110 – Remove remaining subsidy for last 3 bus routes (from 2024/25)**
And revisit when the budget for 2023/24 is considered, when we know what the GCP strategy would be and how this would affect bus services
