**Wards affected:** Cherry Hinton, Queen Edith's, Trumpington

### **1. Executive Summary**

- 1.1 This report details applications received for 2023-2024 funding for projects in the South area and makes recommendations for awards.

As Area Committees are meeting virtually and therefore cannot make decisions, the committee will consider applications for Area Committee grants as per the Community Grants criteria (paragraph 3.4) which will then be referred to the Community Funding and Voluntary Sector Manager for approval.

### **2. Recommendations**

The South Area Committee Councillors are recommended to:

- 2.1 Comment on the grant applications received and awards proposed for South Area Committee grants detailed in Appendix 1, in line with the Area Committee Community Grants criteria detailed in paragraph 3.4.

### **3. Background**

- 3.1 Funding has been devolved to Area Committees for local projects meeting the Community Development, Sports and Arts strategic priorities since 2004. This process is managed by the Grants Team in

Community Services who promote the funding and bring applications for consideration to one meeting of each of the area committees annually.

- 3.2 The 2023-24 grants were publicised via neighbourhood workers, voluntary organisations, social media, in local publications and by posters and publicity leaflets. Recent applicants were also invited to apply. Officers held a webinar briefing to explain the application process and eligibility criteria and priorities.
- 3.3 There is a total of £70,000 available across the four area committees for 2023-24 as detailed in the Community Grants report to Environment and Community Scrutiny Committee 19<sup>th</sup> January 2023. The approved population and poverty formula calculation is set out in Appendix 2. The amount available for each area is as follows:

<b>Committee</b>	<b>Community Grants %</b>	<b>Total available £</b>
North	33.93%	£23,751
East	31.37%	£21,959
<b>South</b>	<b>24.71%</b>	<b>£17,297</b>
West Central	9.99%	£6,993
<b>Total</b>	<b>100%</b>	<b>£70,000</b>

A total of £17,639 of application requests were made for a South Area Committee grant.

#### 3.4 **Area Committee Community Grant Priorities and Outcomes**

Projects and activities should have a targeted approach and make a difference to people in one of the areas (North, East, South or West Central) by reducing social or economic inequality via one of the following funding priorities:

- promoting active lifestyles
- arts and cultural activities
- community development activities
- reducing poverty activities
- legal and/or financial advice (*the Advice Quality Standard (AQS) or equivalent required*)
- employment support
- capacity building of the voluntary sector to achieve the above

- 3.5 Applications are invited from voluntary organisations, community groups and groupings of local residents that are able to meet basic accountability requirements.
- 3.6 The maximum any one organisation can apply for is £5,000 per area committee and grants cannot be made retrospectively. Full details of the eligibility criteria are available on request.
- 3.7 Where no funding is proposed it will be due to one or more of the following not being adequately met:
- grant scheme outcomes and/or priorities
  - identifying need
  - quality or viability of the project
  - activity was not targeted at beneficiaries living in a specific area of the city
  - proposals were the remit of another service/fund or organisation or
  - organisation was ineligible
  - inclusion of inappropriate costs (e.g. equipment only requests)
  - organisation did not demonstrate the beneficiaries could not fund the activity themselves, or that reserves could not be used to fund the activity
- 3.8 All awards are subject to grant agreements and monitoring reports. We consider proportionate requirements dependent on the size of the organisation, project and award.
- 3.9 Any remaining Community Grant funding (or returned underspends) will be pooled to ensure its effective use on new funding enquiries from the voluntary and community sector for projects that meet identified need. Officers can make decisions on awards up to £5,000 as approved by the Community Services Scrutiny Committee in January 2014 and as set out in Part 3 – Discharge of Council Functions, Specific Delegations: Executive Functions (page 95) of the Constitution
