Community Engagement team

At Dudley Road Recreation in March, the Community Engagement team held volunteer sessions over two days where volunteers undertook various tasks to clear overgrowth, renovate benches and litter pick.

In April volunteers attended Whitehill Road Community Orchard and undertook tasks including cutting the grass, making halos around the fruit trees, and adding woodchip to the bases.

At Fison Road tree works and bench renovation were completed followed by a litter pick of the area.

Community Payback worked in the ward during the period and undertook edging of pavements around the Thorpe Way and Fison Road area.

If you would like to nominate some work for the Community Payback to undertake or to get involved with volunteering, please get in contact with the Community Engagement Team.

Enforcement team

Officers conduct regular proactive patrols in the area, spending approximately five to ten hours per week there.

Officers continued to undertake proactive patrols within the city targeting hot spot areas and investigate cases of littering from a motor vehicle. Fixed penalty notices are issued for littering as an alternative to prosecution. Hot spot area for this period has been Newmarket Road.

Officers undertake investigations into dumped waste on all public land across the ward, including parks, open spaces, footpaths, and recycling centres, and investigate cases where there is a breach of the household duty of care of waste produced by a householder.

As part of an investigation the suspect will be contacted and invited to provide a response as to how their waste came to be found at the location – this will be done either via letter or a formal interview under caution. Based on their response, or non-response appropriate action can be taken, and this could include a Community Protection Warning, fixed penalty notice or prosecution.

In the last six months there have been twenty-three investigations completed which resulted in

- Eight Community Protection Warnings,
- Seven fixed penalty notices and one referred for prosecution.
- Six cases are still on-going

The hot spot areas have been:

- Dennis Road recycling point – There have been several fly tips at these locations with fixed penalty notices being issued and these have now been paid. CCTV has been installed and there are currently cases on-going using the evidence gathered.
- Rachel Close recycling point – several fly tips investigated resulting in fixed penalty notices issued.
- Ditton Fields – Fixed penalty notices issued for littering and duty of care offences for the illegal deposit of waste in the area.
- Ekin Road – Waste dumped next to litter bins investigated resulting in fixed penalty notices.

Seventeen suspected abandoned vehicles have been investigated in the period.

- Ten vehicles have either been claimed by the owner or were no longer on site when officers revisited the locations: and
- Seven cases are still ongoing.

Hot spots for abandoned vehicles in the period were Howard Road, Swann Road, Oyster Row and Peverel Road.

Officers undertake investigations into cases of reported dog control issues. This can include dogs straying from a property, dogs not being exercised under control or irresponsible dog ownership (such as dog fouling). Officers work closely with Wood Green Outreach Team who work to support dog owners in the community ([Meet Woodgreen's Outreach team | Woodgreen Pets Charity](#)).

In the last six-month officers have investigated the following cases of dog control:

- Barnwell Road: Dog off lead in communal areas reported.
- Thorleye Road: Dog straying in the area and following other dogs being walked.
- Dudley Road: Dog off lead on green space not under control and fouling not being cleared up reported by customer.
- Ditton Walk: Dog repeated straying from property.

Five dogs were found straying and seized by the council during the last six months. The dogs were found straying at Ditton Fields, Ditton Walk, Barnwell Road, and Newmarket Road. Two of the four dogs were claimed by their owners, two dogs not microchipped or claimed and have subsequently been re-homed and one is still in kennels.

Officers respond to reports of illegal camping where a tent is in use. Any campers on site that are visited to be officers will be asked to move on and served a 24-hour notice to vacate. If a tent is abandoned after the 24 hours then it will be seized and stored for 28 days. Occupants of tents will be signposted to the relevant support agencies, and details of the camp passed onto the Street Outreach team who are able to respond. Officers will always seek to provide information to campers on how they can seek access to welfare facilities and support services.

In the period there have been five cases of illegal camping located at Barnwell Road and Stourbridge Common.

If you would like to report an environmental crime issue in your ward, please get in contact with your Enforcement Officers, Bree Donovan, and Adrian Bastiani.

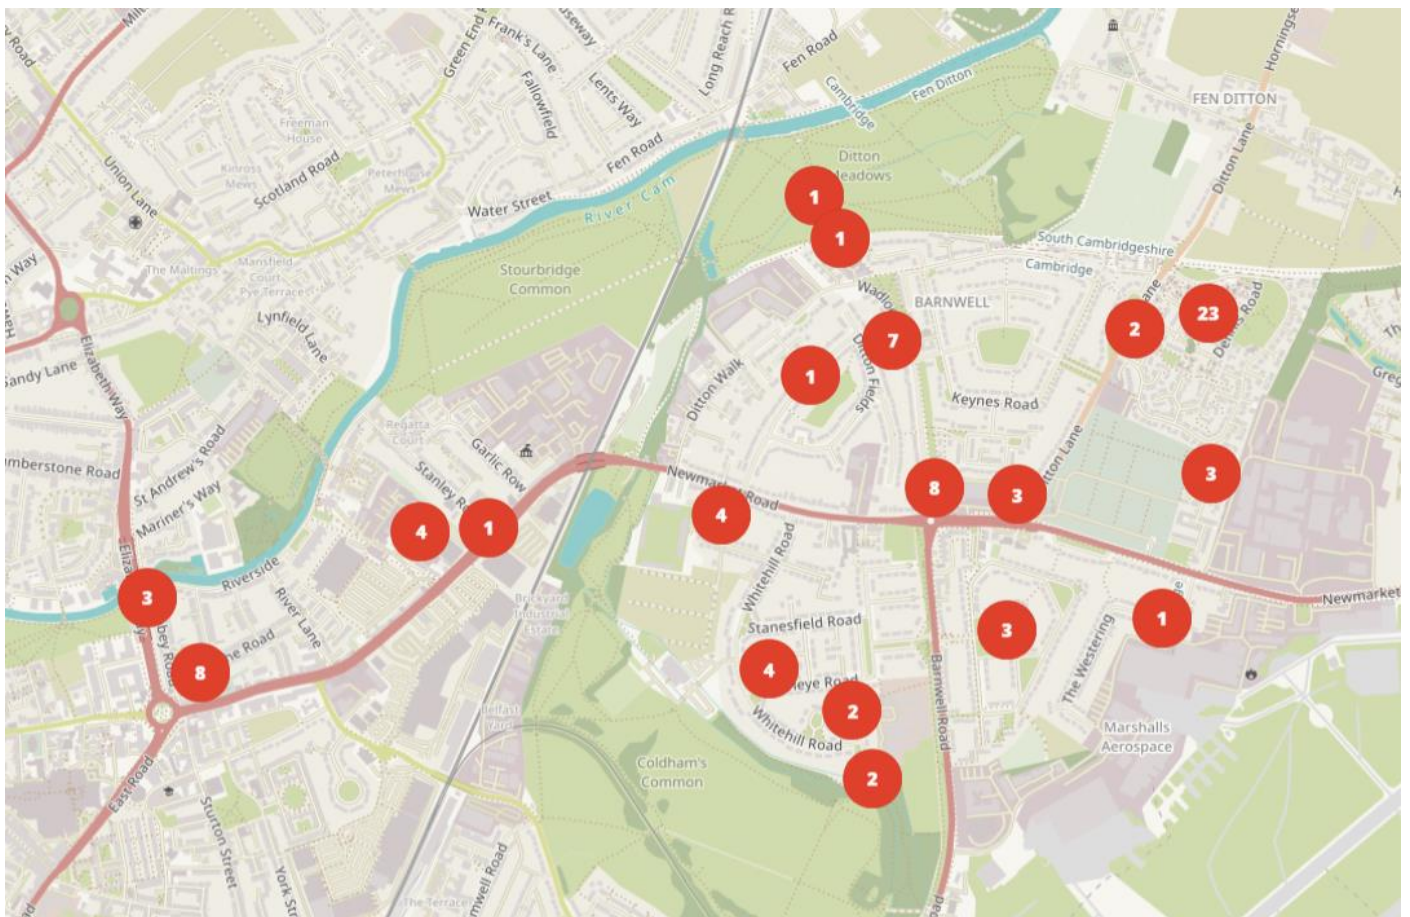

Operations service

Operations have continued with the high level of focus to remove litter from the fast food and retail outlet hot spots across this area. The street cleansing team have been sweeping the main roads and residential areas of detritus, as per the ward schedule.

The team have been targeting areas that require deep cleaning and in need of attention by exception. The whole team have been working with the Enforcement Officers to reduce the amount of fly-tipping across the ward, with Ditton Fields estate being identified as a particular hot spot.

Operatives have been busy cutting and maintaining grass verges and parklands with the ground's maintenance team. The team have completed pruning and maintenance of shrub beds across the highways and parks. Over the course of August, the ground's maintenance team will start preparing for and commencing hedge cutting.

The hot spot map shows the numbers and locations of the flytips cleared within the last six-month period.

5. Volunteer schemes

Time Credits

You can earn Time Credits for your time as volunteer. Every hour of involvement with us earns you a 1-hour time credit – which can be spent in places like cinemas, gyms, swimming pools or music venues. The more time you give the more time credits you receive.

Streets and Open Spaces Volunteers:

We're looking for volunteers to make the streets of Cambridge even cleaner, tidier, and more pleasant and to spread our motto 'A greener, cleaner city starts with you.' So, whether you're already part of an existing local group and want some additional support or you're an individual who feels strongly about these issues, then get in touch to take part. Our volunteers work to improve their local streets by taking action to keep them clean, tidy, and looking their best.

With the support of a dedicated Area Ranger, you'll be able to:

- Recruit other local people to help you in a project
- Organise events locally to promote cleaner streets: litter picks, ward walks etc.
- Have access to and use specialist equipment for removing graffiti and litter
- Take part in large city-wide events for volunteers
- Provide education to other members of the public
- Get involved with new volunteer roles/projects

As a volunteer you're free to suggest your own ideas and we will do our best to accommodate them. We don't expect you to give huge amounts of time to our projects, as a volunteer, we just hope you can commit some regular time each month to keep the project active and vibrant in the community.

To sign up or find out more visit our webpage <https://www.cambridge.gov.uk/streets-and-open-spaces-volunteers> or contact our Community Engagement Team on sosvolunteers@cambridge.gov.uk or 01223 458084

Recycling Champions:

Are you a passionate about recycling? Would you like to meet other people who are also keen to help to promote recycling, minimizing waste and sustainability? Do you enjoy working with the public? If yes, then why not become a recycling champion. The Greater Cambridge Shared Waste Service is looking for volunteers to help spread the word about recycling within the community. You don't need any experience or previous knowledge, you just need to believe that recycling is important, be friendly and approachable and be willing to convey your enthusiasm about helping the environment to others. Full training will be provided.

Our volunteers do a variety of roles such as:

- Run stalls at various events in the city and south of Cambridge
- Do door knocking around flats, hand out leaflets
- Attend monthly recycling champions meetings
- Do talks to community groups and schools about recycling
- Write articles in newsletters and go on trips to visit various recycling sites to learn about waste management and recycling.

To become a recycling champion please visit our webpage <https://www.cambridge.gov.uk/become-a-recycling-champion>, or contact recycling.champions@scamps.gov.uk or telephone 07525 213774.
