

Licensing Committee 24 June 2024

Decisions

5. Standard Hybrid Vehicle Report

Members of the Licensing Committee approved by a vote of 6-1:

- i) To confirm the decision made on 29th January 2024 and remove the inclusion of standard hybrids within the policy with emissions of less than 120g/km of CO₂ with effect of 30th June 2024.
- ii) To note that 14 standard hybrid vehicles are affected by the policy from 1 July to 30 June 2026 – the date the trade have suggested to delay implementation.
- iii) To agree the Environmental Considerations part of the Hackney Carriage and Private Hire Licensing Policy as attached to this report as Appendix A.
