Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.

The application site comprises a recently completed ground floor commercial unit. It is located at Unit A of the recent re-development of 6-18 King Street by Christ's College, Cambridge.

The fit-out of Unit A will deliver a comfortable, relaxing, and welcoming space with a focus on local product and talent. The plan is to sell fresh craft beer through 15-20 chilled lines in a modern Taproom bar setting. The draft beer will be supported

with takeaway fridges stocked with premium beers, wines, and non-alcoholic offerings to provide an off-sales revenue stream.

As a fledgling independent business in the heart of the city, the goal will be to forge relationships with the local community and with other businesses. This will be underpinned by socially-aware values that reflect those of the city our staff, and our suppliers with a commitment to responsible drinking, equal opportunity, sustainability, and recycling wherever possible.

As company owners, we have previous experience in this field with our existing businesses - Baron Brewing in Buntingford, and The Hop Box in Ware, East Herts. The Cambridge project represents an amalgamation of the two. This has in turn allowed us to conduct our own evaluation and risk assessments to ensure we can meet and adhere to the expectations that a new business in Cambridge demands, particularly one that falls within the CIA.

To this point we have sought planning and licensing advice from the developers, the council, and Cambridgeshire Police. We will continue to do so throughout the application process and beyond in to our tenure.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

All management and staff will be fully trained and briefed on the four licensing objectives, Challenge 25, and the conditions on the licence.

Staff must have completed their alcohol training (covering relevant licensing legislation and prevention of harm) prior to being authorised to sell alcohol. The training is to be carried out at least once every 6 months and written records of the training must be kept.

All staff must complete welfare and vulnerability training, this is to include 'Ask for Angela' Scheme (as long as it is still in operation). The training is to be carried out at least once every 6 months and written records of the training must be kept for inspection by Cambridgeshire Police or authorised officer of a responsible authority.

A written delegation of authority record will be kept at the premises whereby non personal licence holders are authorised to make sales on behalf of the Designated Premises Supervisor.

All incidents which impact on any of the four licensing objectives shall be recorded in a register kept at the premises and will be made available for inspection by police or authorised officer of a responsible authority.

b) The prevention of crime and disorder

Digital CCTV with appropriate recording equipment shall be installed, operated and maintained throughout the premises internally to cover all public areas (apart from toilets). The system will be switched on and live during all times that the public have access to the premises whilst open to members of the public. The CCTV images will record and display dates and times, and these times will be checked regularly to ensure their accuracy and will be changed when British Summer Time starts and ends. The CCTV at customer entrance points will record a clear facial image of every person entering in any light condition. Footage shall be stored for a minimum of 31 days. In the event that images are requested from a constable or authorised officer of a responsible authority the management will ensure a staff member who is conversant with the operation of the CCTV system shall be on the premises at all times the premises are open to the public. This staff member shall give full and immediate cooperation and technical assistance to them in the event that CCTV footage is requested for the prevention and detection of suspected or alleged crime or offence and be able to show a police officer or authorised Council officer recent data or footage. In order to comply with the above requirement management staff will be trained to download images from the system onto relevant media.

Notices advising that CCTV has been installed on the premises shall be displayed so that they are clearly visible to the public within the licensed premises.

Any off sales will only be sold in sealed containers. Staff will take reasonable steps to ensure that customers do not take partly consumed alcoholic products or drinking receptacles away from the premises.

Continued from previous page...

Incident log to be maintained.

Refusals register to be maintained.

Participation in the local PubWatch Scheme, including attending the meetings and supporting the PubWatch banning systems, including keeping records and sharing information with the police.

The premises shall have a written Drugs Policy. Any seized/found substances believed to be illegal substances will be recorded in a drugs register with the item placed in a secure safe or drawer, and arrangements shall be made at the earliest opportunity to hand to police.

A search policy shall be in place, whereby a person may be subject to a bag or person search as a condition of entry. Any person refusing to be searched shall be refused entry.

c) Public safety

Door supervisors shall be employed at the premises on occasions as deemed necessary by the Designated Premises Supervisor and/or premises management following a risk assessment and on occasions following consultation with the Police.

A first aid kit will be maintained behind the bar.

Allergy notices to be displayed behind the bar where relevant.

d) The prevention of public nuisance

Notices to be displayed reminding customers to respect the neighbours and leave the area quietly.

Customers will not be permitted to loiter or congregate at the front of the premises.

Off-sales for takeaway customers will cease from 21:00hrs on Friday and Saturday so that there is no negative impact to the CIA area. Takeaway products will be secured in lockable fridges in order to help facilitate this.

e) The protection of children from harm

No unaccompanied children under the age of 18 to be permitted on the premises at any time.

No person under the age of 18 will be permitted to remain on the premises after 21:00hrs.

The Age verification policy used at the premises will be "Challenge 25" and notices displayed.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relating to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,

 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
