Dear Sir/Madam

CAMBRIDGE CITY COUNCIL
Application for Outline Planning Permission

Proposal: Construction of detached bungalow on land to the rear of 111-113 Queen Edith's Way Cambridge

Site address: 111 - 113 Queen Ediths Way Cambridge Cambridgeshire CB1 8PL

Your client: Tom Leneghan

Further in the above matter, please find enclosed our formal decision notice relating to your client's application for planning permission. Please be sure to remind your client that the scheme should be carried out in line with the approved plans. This will avoid the need for any enforcement action.

Making changes to the approved plans

In the event that you wish to change your proposal, please contact your case officer who will advise you on whether the change can be dealt with as a "non-material" or "material" amendment. In either case you will have to complete a form and provide fresh drawings.

Important information regarding conditions

If you have been granted Planning Permission / Listed Building Consent / Advertisement Consent you may wish to get started immediately, however it is always important to carefully read the decision notice in full before any work begins.

The majority of planning decisions have conditions attached. Some conditions request further information that requires approval by the Local Planning Authority before any development takes place ('pre-commencement'). All conditions are set out on the decision notice.

Under Section 7 of the Planning (Listed Buildings and Conservation Areas) Act 1990, it is a criminal offence to carry out unauthorised works to a listed building. Under Section 9 of the Act, a person shall be guilty of an offence should they fail to comply with any condition attached to the consent.

How do I discharge the conditions

Please note that the process takes up to eight weeks from the date the Local Planning Authority receives a valid application. Therefore it is important to plan ahead and allow plenty of time before work is due to commence.

You need to fill in a form to submit your request to discharge conditions, and accompany the relevant details/samples. You can download the necessary form by using the following link: <https://www.greatercambridgeplanning.org>

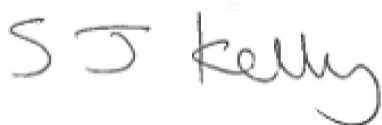

Alternatively you can submit an application to discharge the conditions through the Government's Planning Portal website: <https://www.planningportal.co.uk/applications>. Please note, The Planning Portal refers to it as 'Approval of details reserved by a condition'.

When the required information has been submitted you will receive a reference and an acknowledgement letter. Once the Local Planning Authority is satisfied that the requirement of the condition have been met you will receive a formal notification that the conditions have been discharged.

Appeals against conditions

You should also be aware that the applicant has the right to appeal against any conditions attached to this Notice, please see <https://www.gov.uk/appeal-planning-decision> for details. If you are concerned about any condition you should contact the case officer in the first instance for advice.

Yours faithfully

General Notes

This decision notice does not convey any approval or consent which may be required under any enactment, bye-law, order or regulation other than Section 57 of the Town and Country Planning Act 1990.

It is an offence under Section 171 of the Highways Act 1980 to temporarily deposit building materials, rubbish or other things on the public highway or make a temporary excavation on it without the written consent of the Highway Authority. The Highway Authority may give its consent subject to such conditions as it thinks fit.

The applicant is reminded that under the Wildlife and Countryside Act 1981(Section 1) (as amended) it is an offence to take, damage or destroy the nest of any wild bird while that nest is in use or being built. Trees and scrub are likely to contain nesting birds between 1 March and 31 August. Trees within the application should be assumed to contain nesting birds between the above dates unless a survey has shown it is absolutely certain that nesting birds are not present.

Equality Act 2010

Your attention is specifically drawn to the requirements of the Equality Act 2010 and the Equality Act (Disability) regulations 2010, the British Standards Institution BS8300:2009 “Design of Buildings and their approaches to meet the needs of disabled people – Code of Practice” and to Approved Document ‘M’ “Access to and use of buildings”, volumes 1 and 2 of the Building Regulations 2010 and to Approved Document ‘B’ “Fire Safety”, volumes 1 and 2 of the Building Regulations 2010, in request of guidance on means of escape for disabled people. The development should comply with these requirements as applicable

Working with the applicant

The LPA positively encourages pre-application discussions. Details of this advice service can be found at <https://www.greatercambridgeplanning.org>. If a proposed development requires revisions to make it acceptable the LPA will provide an opinion as to how this might be achieved. The LPA will work with the applicant to advise on what information is necessary for the submission of an application and what additional information might help to minimise the need for planning conditions. When an application is acceptable, but requires further details, conditions will be used to make a development acceptable. Joint Listed Building and Planning decisions will be issued together. Where applications are refused clear reasons for refusal will identify why a development is unacceptable and will

help the applicant to determine whether and how the proposal might be revised to make it acceptable.

In relation to this application, it was considered and the process managed in accordance with paragraph 38 of the National Planning Policy Framework.

Parking Controls

Please note: On-street parking controls, including residents' parking schemes, are in operation in several parts of the City of Cambridge. There are restrictions on eligibility for residents' parking permits, even for residents within the areas covered by schemes. Implementing a planning consent can remove eligibility for a permit. The County Council can advise whether or not properties qualify for a Residents' Parking Permit. If in doubt, please contact Cambridgeshire County Council, Cambridgeshire Parking Services by telephoning (01223) 727900 or by e-mailing parkingpermits@cambridgeshire.gov.uk, mentioning this planning consent. Please also be aware that the criteria for granting parking permits may change from time to time.

Appeals to the Secretary of State

The applicant has a right to appeal to the Secretary of State against any conditions of this planning permission, under Section 78 of the Town & Country Planning Act 1990. The appeal must be made on a form which may be obtained from:

The Planning Inspectorate,
Temple Quay House, 2 The Square, Temple Quay, Bristol. BS1 6PN
Telephone 0303 444 5000 or visit
<https://www.gov.uk/appeal-planning-decision>

If an enforcement notice is or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: **28 days** of the date of service of the enforcement notice, **OR** within **6 months** (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Purchase Notices

If the Local Planning Authority or the Secretary of State grants permission subject to conditions the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances the owner may serve a purchase notice on the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Before starting work

It is important that all conditions, particularly pre-commencement conditions, are fully complied with, and where appropriate, discharged prior to the implementation of the development. Failure to discharge such conditions may invalidate the planning permission granted. The development must be carried out fully in accordance with the requirements of any details approved by condition.

Street Naming and Numbering

In order to obtain an official postal address, any new buildings should be formally registered with Cambridge City Council. Unregistered addresses cannot be passed to Royal Mail for allocation of post codes. Applicants can find additional information, a scale of charges and application form at <https://www.cambridge.gov.uk/street-naming-and-property-numbering>.

For further information please go to <https://www.cambridge.gov.uk/planning>.

Third Party Rights to challenge a planning decision

Currently there are no third party rights of appeal through the planning system against a decision of a Local Planning Authority. Therefore, if you have concerns about a planning application and permission is granted, you cannot appeal that decision.

Any challenge under current legislation would have to be made outside the planning system through a process called Judicial Review.

A 'claim for judicial review' includes a claim to review the lawfulness of a decision, action or failure to act in relation to the exercise of a public function, in this case, a planning decision. The court's permission to proceed is required in a claim for Judicial Review. A claim for Judicial Review is dealt with by the Administrative Court and if leave to judicially review a planning decision is granted, the Judicial Review will be decided by a judge at the High Court.

An application to Judicial Review a decision must be made within **6 weeks** of the decision about which you have a grievance being made. For further information on judicial review and the contact details for the Administrative Courts, please go to <http://www.justice.gov.uk/>
