South Cambridgeshire District Council Planning Committee

Joint Development Management Committee

Members of the public are welcome to attend the Planning and Joint Development Management Committee meetings, this guide sets out how we allow the public to speak at Committee – including who can speak, how to register, the length of speaking time and policy on presentation of material.

### **1. What is the Planning Committee**

Planning Committee and the Joint Development Management Committee (JDMC) are Regulatory Committees consisting of elected Councillors who are responsible for determining planning applications which cannot be dealt with under delegated powers to officers.

### **2. When and where do Planning Committee meetings take place?**

- City Planning Committee usually takes place from 10am the first Wednesday of the month at The Guildhall, Market Square, Cambridge, CB2 3QJ.
- South Cambridgeshire District Council Planning Committee usually takes place from 10am the second Wednesday of the month at South Cambs Hall, Cambourne Business Park, Cambourne, Cambridge, CB23 6EA.
- JDMC takes place at either the Guildhall or South Cambridgeshire District Council offices, usually the third Wednesday of the month from 10am.
- Alternative venues may be used; details will be set out on the agenda and meeting webpage.

### **3. Can anyone attend Planning Committee meetings?**

- Meetings of the Planning Committee are open to the public, so anyone can attend and listen to the meetings.
- Despite being a public meeting, in some very occasional cases, the law does allow the committee to consider some matters in private. For example, an application may contain information of a personal or commercially sensitive nature that the Council would not be able to publicise. In every case, however, the public interest in excluding the press and public from the meeting room must outweigh the public interest in having the information disclosed.

#### **4. Can anyone speak at Planning Committee meetings**

- The Planning Committee welcomes public participation at the meeting; examples of those who may wish to speak at the meeting include applicants or an applicant's agent, neighbours or other residents, community groups, Parish Council representatives<sup>1</sup> (where applicable) and Councillors<sup>2</sup>.
- Speakers may speak in support or objection to an application.
- You must register at least two working days before the meeting (more information on registering to speak is set out below)

- Each category of public speaking (see paragraph 11 below) is limited to 3 minutes.
- If more than one person registers to speak per category, the speaking time may be split between the different speakers, or a spokesperson could be appointed.
- The Chair of the meeting has discretion to extend the 3-minute time period for all speaking categories should the application require it. This will be set at the chairs briefing for that committee, however, it can be reviewed at the committee.
- Committee members will have read the planning officer written reports, so try to avoid repeating points that are already explained in that material. Focus your speech on material planning grounds, these can include (but are not limited to):
