Description of Item	Why does this item need to go to Scrutiny?	Scrutiny Committee
Provide a short summary of the item including useful context. E.g. 'The Open Spaces Strategy will set out the council's management of parks and greenland. Pressures will come from the budget increase of 5% being sought and mild political opposition is expected.'	Provide the reason(s) why this needs to go to a scrutiny committee rather than directly to a decision-making body	
The Council's current climate change strategy runs to 2026 and therefore we are beginning work to update it. We expect to go to Cabinet for approval to consult in autumn on a draft. The period of the next strategy ends in 2030 which is the target date. The Council has statutory equalities duties that we are required to evidence. Through 2025 we are reviewing our approach and focus for equalities work internally and externally. We expect their to be political interest in the approach and focus of this work	Creation of Task and Finish Group	Services, Climate and Communities  Services, Climate and Communities
