Concerns in respect of children	There will be no adult entertainment, films, nudity, semi- nudity, or any activities of an adult nature taking place on the premises. The cafu00e9 does not have or intend to install any gaming machines or offer any age- restricted entertainment. The environment will remain family-friendly at all times, with alcohol served in a responsible manner alongside food and refreshments. We do not anticipate any matters that would give rise to concern in respect of children.

a) General - all four licensing objectives (b,c,d,e)	We are committed to operating Cofein responsibly and in full compliance with the Licensing Act 2003. We will ensure that alcohol is sold and consumed in a safe, controlled, and family-friendly environment, with trained staff and clear policies in place. All staff involved in alcohol service will receive regular training on the licensing objectives and responsible alcohol retailing. We will maintain a Challenge 25 policy, refuse service to intoxicated individuals, and actively manage the premises to prevent crime, ensure public safety, avoid public nuisance, and protect children from harm. Our goal is to be a positive part of the community and uphold high standards of service and safety at all times.
b) The prevention of crime and disorder	All staff involved in the sale of alcohol will be trained in responsible alcohol retailing and will operate in accordance with the law. A Challenge 25 policy will be strictly enforced, requiring photographic ID (passport, driving licence, or PASS-accredited card) for anyone who appears under 25. Alcohol will only be served to seated customers consuming food or light refreshments.

	We will refuse service to anyone who appears intoxicated and will keep a refusals log. The premises will be adequately lit, and we may consider installing CCTV covering entry/exit points for added security if needed.
c) Public safety	The cafu00e9 layout allows for safe access and egress, with clear exits and no overcrowding. Fire safety measures, including extinguishers and regular staff fire training, are in place. We will comply with all health and safety regulations, including food safety standards and regular risk assessments.
d) The protection of public nuisance	Alcohol will only be consumed indoors. There is no outdoor seating and no off-sales. Noise will be kept to a minimum, especially during the evening hours. Music will be limited to background levels only. Doors and windows will remain closed in the evenings (except for access and egress) to reduce noise leakage. We will display polite notices asking customers to leave the premises quietly and respectfully.
e) The protection of children from harm	Children will be welcome when accompanied by a responsible adult. Alcohol will not be served to anyone under 18, and the Challenge 25 policy will be strictly followed. No adult content, entertainment, or restricted material will be displayed or shown on the premises. Staff will be trained to recognise and appropriately respond to situations where a child may be at risk.
