

# **Cabinet Forward Plan of Key and Non-Key Decisions for Cambridge City Council**

May 2026

## **Introduction**

This Forward Plan sets out the key and non-key decisions to be taken by the Cabinet. This includes any decisions that are due to be taken in private.

Published 14 May 2026

## **Executive Forward Plan and Notices required by the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012**

There is a legal requirement for local authorities to publish a notice setting out the key decisions that will be taken by the Cabinet or Individual Cabinet Member at least 28 clear days before such decisions are to be taken. This Forward Plan incorporates the Notice of Intention to make Key Decision and sets out the decisions which are intended to be taken at Cambridge City Council by Cabinet or Individual Cabinet Members. Whilst this document provides details of known decisions for the following month, where details of decisions to be made after this period are known, they are provided for information.

The Plan also sets out where, if at all, it is anticipated that part of a Cabinet meeting will be held in private. This is where confidential or exempt information (as defined in the constitution) is likely to be made known. Notice is hereby given that it may be necessary for part of a Cabinet meeting to be held in private because it becomes apparent at the meeting that confidential or exempt information will otherwise be made known. Should this become apparent at the meeting the relevant part of the meeting will only be held in private upon the passing of a resolution which (where exempt information will be made known) describes the description of exempt information pursuant to Schedule 12A of the Local Government Act 1972.

The Forward Plan will be updated and rolled forward on a monthly basis. As this takes place, the programme will be adjusted and further decisions will be added or anticipated ones may be rescheduled or removed.

If a key decision is not included in the published Forward Plan for 28 clear days before a decision needs to be taken the Chairman of the Overview and Scrutiny Committee must be notified and a supplement to the Forward Plan published at least 5 clear days before the date on which the decision is proposed to be taken. If the date by which the decision has to be made makes compliance with this requirement impracticable the decision can only be made with the consent of the Chairman of the Overview and Scrutiny Committee who must be satisfied that the making of the decision is urgent and cannot reasonably be deferred.

If it is necessary to discuss an issue in private and 28 days' notice has not been given the decision may only be taken or the item discussed in private with the agreement of the Chairman of the Overview and Scrutiny Committee who must be satisfied that the need for the item to be taken to the meeting is urgent and cannot reasonably be deferred

### **Key Decisions**

The Key decision thresholds at Cambridge City Council are:

- The decision is likely to result in the City Council incurring expenditure or making savings in excess of £500,000 (excluding procurement decisions or decisions relating to land acquisition or disposal). Excluded from this definition are all loans to banks or other financial institutions made in accordance with the Treasury Management Policy.
- Procurement decisions involving expenditure of £1,000,000 or more. In relation to letting contracts the key decision is seeking authority to procure (and delegate authority to award).

Or

- An acquisition or disposal of land or an interest in land with a value in excess of £600,000.

Or

- The decision is likely to be significant in terms of its effects on communities living or working in an area comprising one or more wards in the City.
