26/02186/FUL

Installation of 2no permanent backstop structures replacing existing temporary structures.

Coldham's Common, Pool Way, Whitehill Road,
Cambridge CB5 8NT

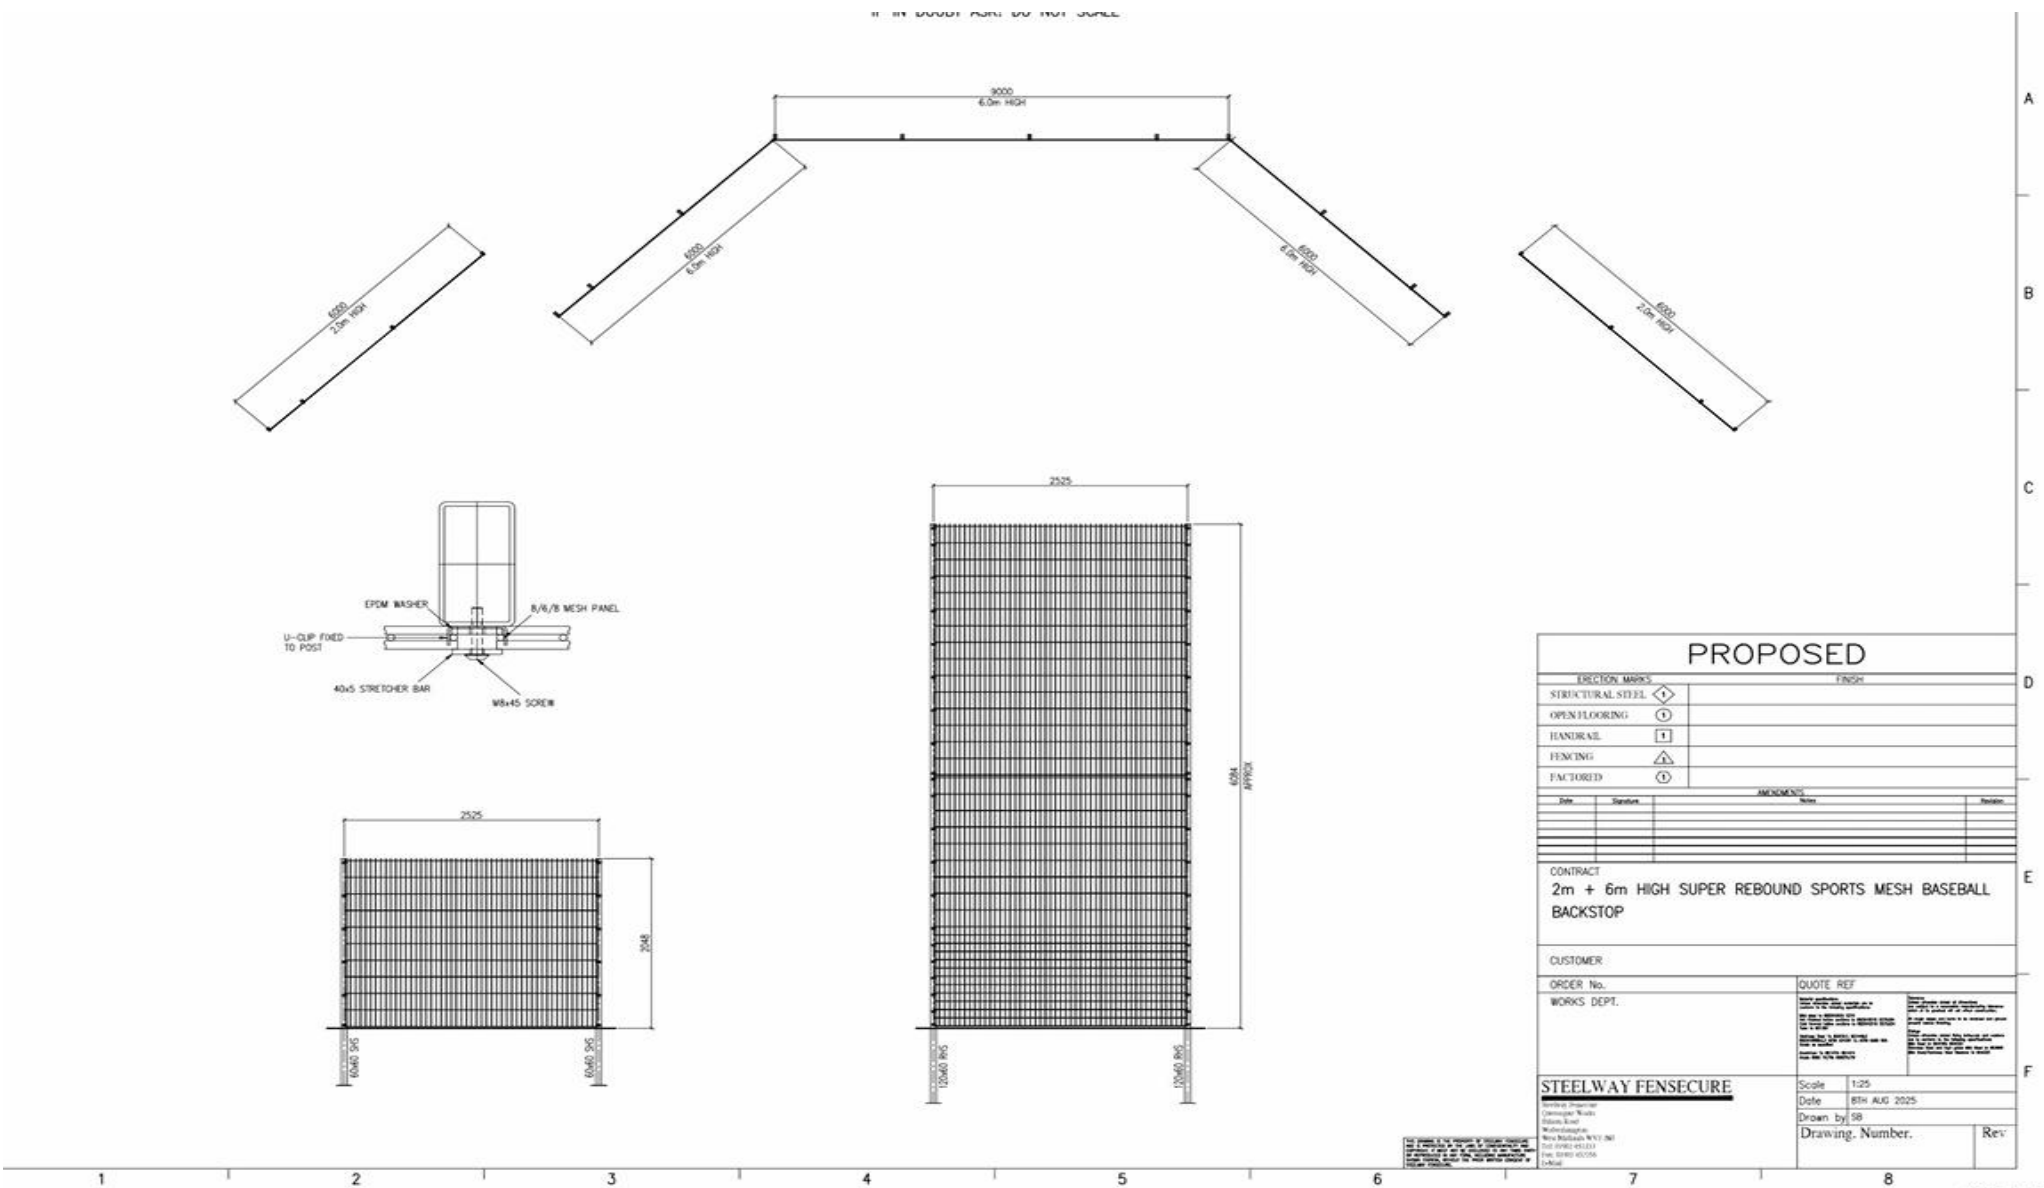

Location Plan

Site Plan

Proposed Drawings

Officer Conclusion

The proposal would lead to the installation of permanent baseball backstop structures within an establishes recreational facility and would support the continued use of the site for community sporting purposes. The proposal adequately respects the character and context and openness of the Green Belt and would preserve the openness of the Green Belt and would not conflict with the purposes of it.

The proposal is also considered acceptable in terms of residential amenity.

Officers recommend that the Planning Committee **Approve** the application.
