25/04382/FUL: Planning Balance

Approval

Material considerations

- Low level of harm to setting of heritage assets;
- Noise nuisance to offices in Sidney Street
- Harm to the air quality in Fisher Square
- Relocation of cycle spaces to less convenient places
- Low level of harm to pedestrian comfort

Refusal

Material considerations

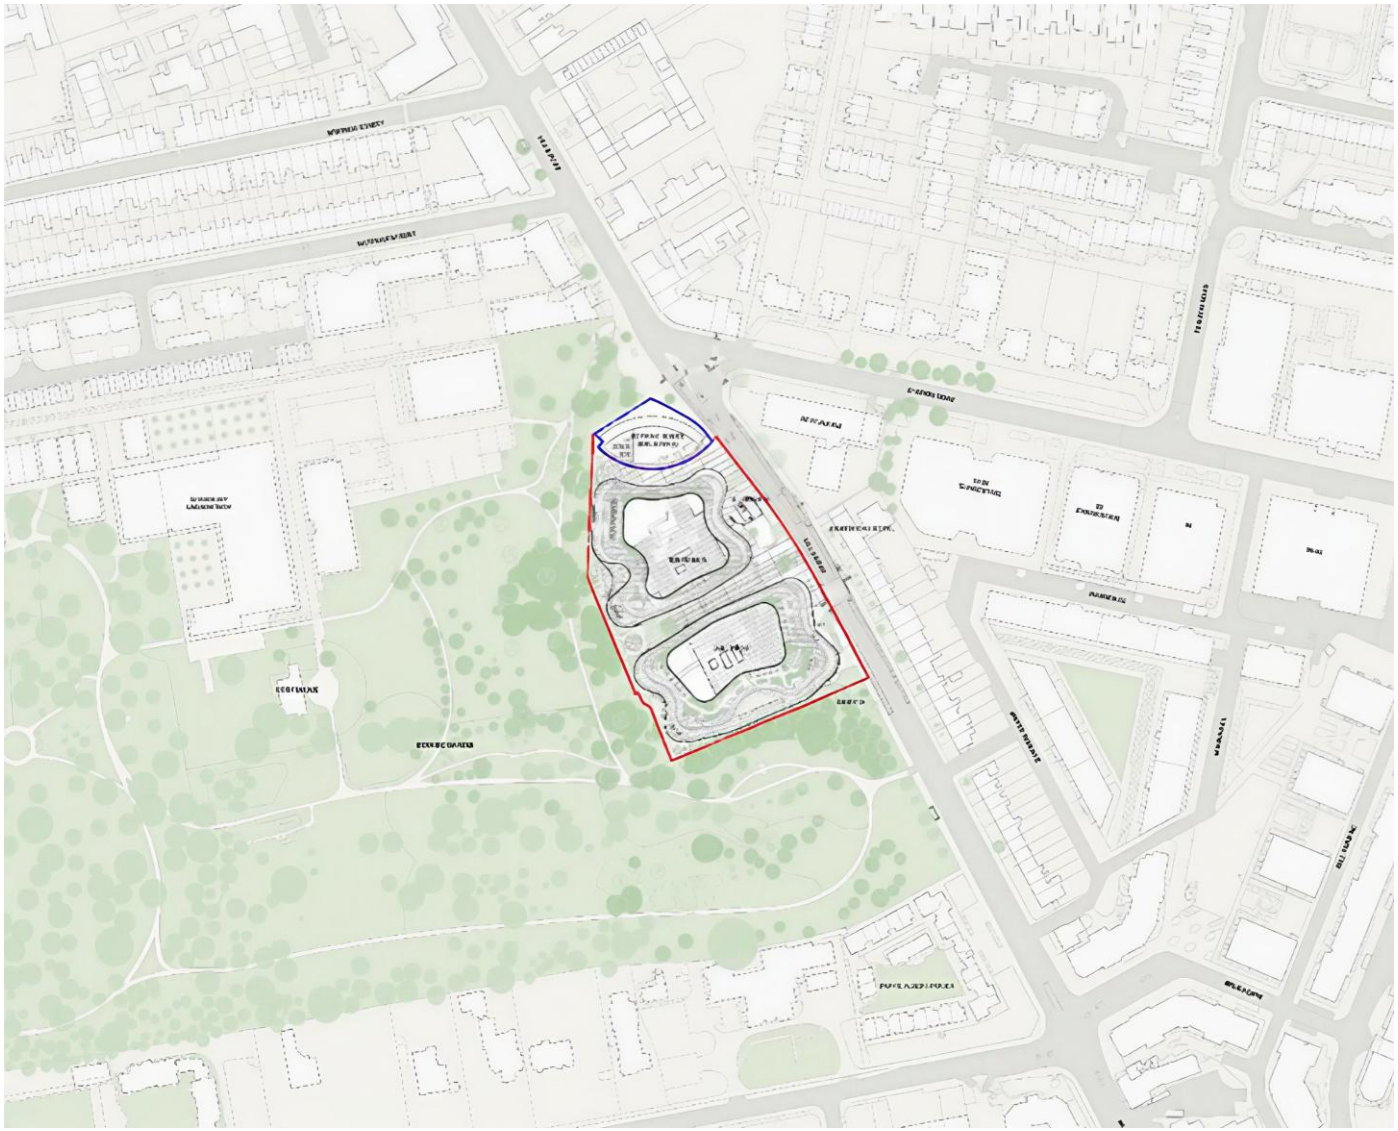

- Provision of temporary market stalls within existing primary shopping area;
- Retention of opportunities for small businesses to trade which is considered essential to the city centre;
- Aid in maintaining local economy during the significant disruption from the Civic Quarter development
- Retain jobs and livelihoods

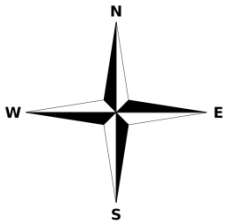

Officer Recommendation: **Approval** subject to conditions

26/02665/S73 – Botanic Place, 104 - 112 Hills Road

S73 to vary conditions 2 (approved drawings), 40 (Flying Pig Public House works) and 41 (programme of highway works) of planning reference 20/03429/FUL, as amended by 23/02071/S73, 20/03429/NMA2 and 23/02071/NMA1 and 26/00566/S73, to 1. Remove the landlord's ancillary accommodation at first and second floor to provide double-height trading space, 2. Relocate accessible W/C from ground to first floor, 3. Remove external cranked masonry to increase loading capacity, 4. Extend dumbwaiter to first floor area, 5. Introduce kitchen extract to serve public house within a blind dormer roof, 6. Install inset PV solar panels, 7. Amend the cycle storage and office floorspace arrangement at basement mezzanine level within Building B, and 8. Amend the timeline to deliver the highway works along Hills Road.

Highways Improvements

Approved under planning reference 23/02071/NMA1

Planning Balance

Approval
Material considerations

- The removal of the licensee accommodation would secure the long-term viability of the Flying Pig Pub
- Installation of inset PV solar panels would make a positive contribution to climate change adaptation and mitigation
- The revised timescale for the delivery of the highway improvements would minimise the potential for multiple periods of disruption along Hills Road
- Improved bicycle storage provision

Refusal
Material considerations

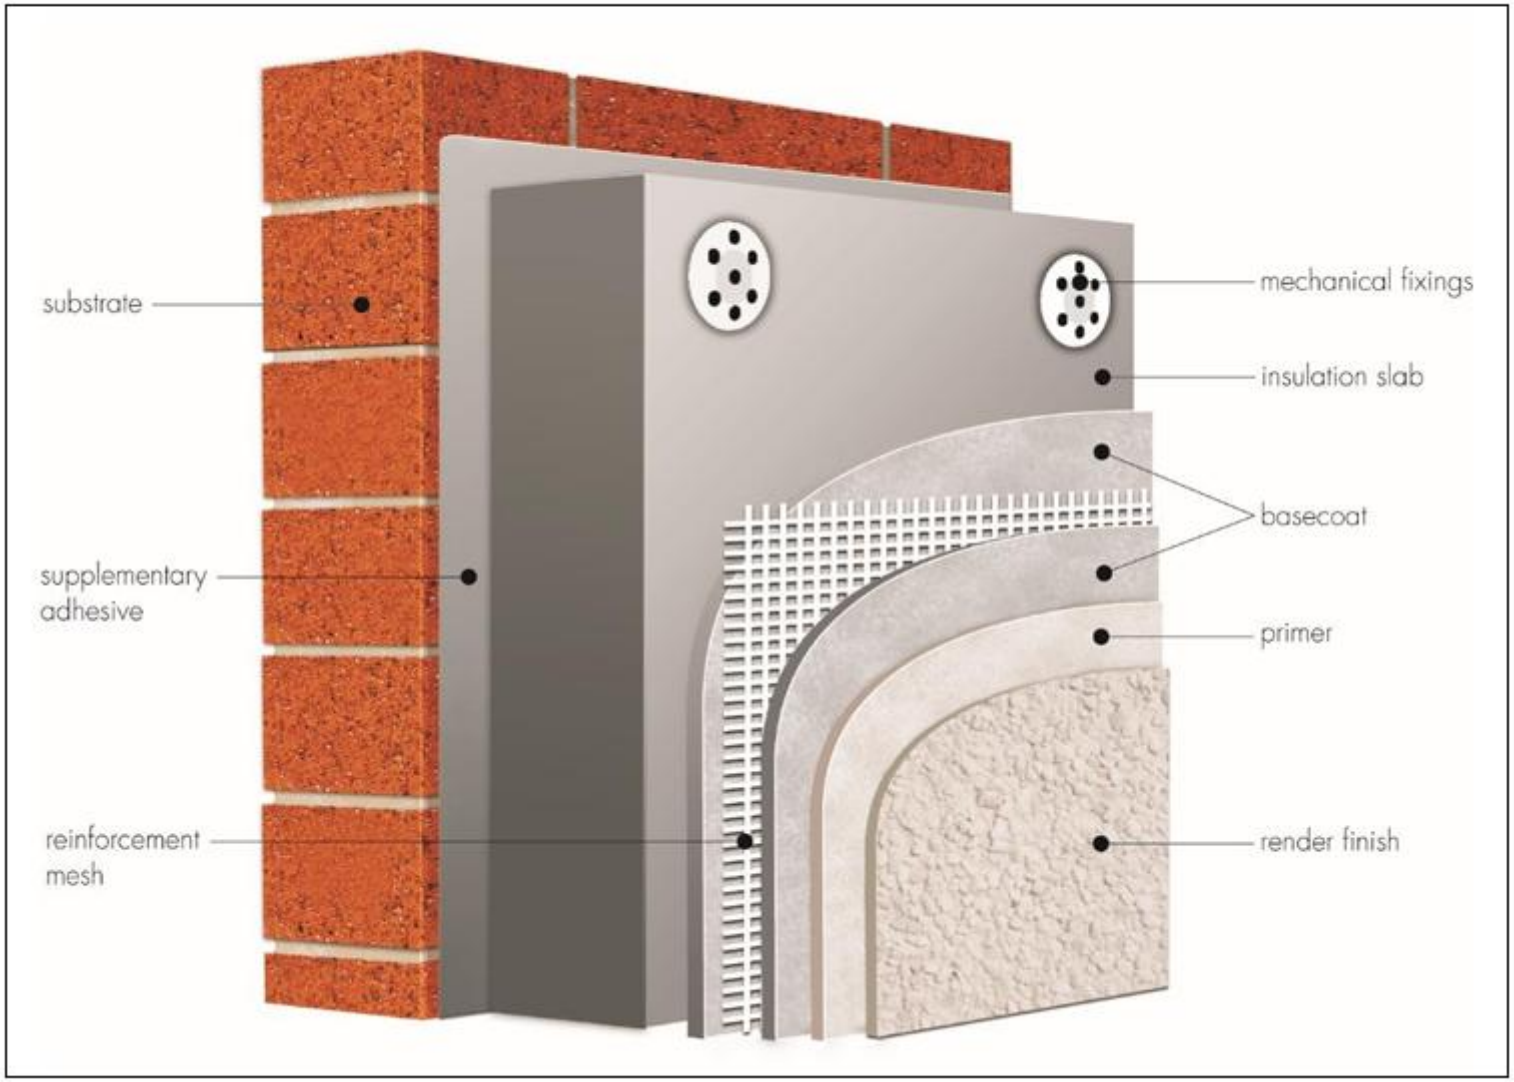

- The exterior alterations to the Flying Pig Pub would result in a very low degree of harm to the identified heritage assets
- Loss of a residential unit in a highly sustainable and well-connected part of Cambridge

Officer Recommendation: Approve
